You make it possible
The Stow-Munroe Falls Public Library Foundation supports and expands the mission of the Library, and has helped make it one of the finest in the region. The Library has been recognized for its commitment to technological advances that ensure it remains relevant to all generations of users.

The Library Foundation’s mission
The Stow-Munroe Falls Public Library Foundation was incorporated in 1994 as a non-profit, tax-exempt 501(c)(3) organization.

The Foundation’s mission is to provide funds for significant projects that enhance the mission of the library and to build a charitable fund that will carry on the legacy of the library.

Your support helps pay for significant projects that fall outside the Library’s operating budget, providing enhancements for Stow and Munroe Falls citizens without using tax money.
