Wi-Fi Hotspot Quickstart Guide

**Turn on the hotspot**
- Press and hold the **power button** until the Sprint logo appears onscreen.
- Wait for the device to power on.

**Connect your device to the hotspot**
- The hotspot’s Wi-Fi name and password will toggle in the yellow band on the home screen.
- Go to the wireless settings on your device. Turn on Wi-Fi, find and select the hotspot name from the list, and connect using the password.

**Charging the hotspot**
- Use the supplied AC adapter.
- The indicator light on the power button illuminates red when charging starts. The light turns green when the battery is fully charged. Fully charging a battery may take up to three hours.
- After charging, disconnect the device from the charger.

**Turn off the hotspot**
- Press and hold the **power button** until “Goodbye” appears onscreen.
- The device will power off.
