Acme Community Cash Back Program

Stow-Munroe Falls Public Library is once again participating in the Acme Community Cash Back Program. Just bring your Acme receipt tapes (dated September 7, 2003 to May 15, 2004) to the Children's Department or put them in the box by the elevator. Stow-Munroe Falls Public Library receives one percent of the total amount of the receipts. During the 2002/2003 school year, patrons turned in over \$136,000 worth of receipts! Thank you for supporting the library!

Library Board Meeting Highlights

The Stow-Munroe Falls Public Library Board of Trustees met on Monday, September 22, 2003, for both a work session and a regular board meeting. At the work session, the trustees and people in attendance brainstormed about what the Library could use and what the Library could do to offer more opportunities and services to our patrons. We also examined the declining state funding and briefly discussed alternatives to deal with that reduction. We also examined why our Library will continue to receive less of the state funding that is available as other libraries in Summit County build new or expand existing facilities. All things considered, we have a lot of work ahead of us just to maintain the status quo.

Our regular board meeting began by fondly remembering Linda Potter, known to countless children as the "Story Lady." Ms. Potter passed away last year, leaving a legacy of love for books and children. Ms. Potter's family graciously donated literally hundreds of Ms. Potter's books and videos to the Library. The most special of the donations, however, were Ms. Potter's puppets, which had entertained and educated children for years. The Library renamed the story time room in her honor and the Board formally dedicated the Linda L. Potter Storytime Room at the meeting on Monday night. With the support of the Friends of the Library, Acme, Rotary, and Wal-Mart, the Library was able to purchase additional puppets, a puppet stage, and redecorate the room. This room will be a lasting legacy to all the good work that Ms. Potter did with our youngest patrons.

The remainder of our meeting was devoted to much more mundane details. We did receive another update on the status of several issues related to the physical structure of the building, something that we will continue to revisit in coming months. Fortunately, we were told that, despite several persistent problems, the overall structure of the building is sound.

Library Board

The next Stow-Munroe Falls Public Library Board of Trustees will meet Monday, October 27 at 7:00 p.m. in the upstairs meeting room.

Volunteers Needed

Where would you look to find: The history of the 3390 Kent Road building? The names of Stow's first settler? High school graduates and yearbooks? The ages of Stow-Munroe Falls High School, Stow City Hall, and the Doughboy?...The answer is three-fold: Stow Historical Society, Munroe Falls Historical Society, and the Stow-Munroe Falls Public Library.

Stow's Corner
in the local history room

These three organizations cooperate in preserving our area history. While the two historical societies specialize in artifacts, special events and tours, the Stow-Munroe Falls Public Library specializes in written and printed materials. These materials are kept in the Local History Room which is open 22 hours a week, year-round. We are able to keep the Local History Room open because of the generous work of volunteers who staff the room for use by the public. Between 30 and 70 people visit the Local History Room each month. In addition, we get calls and e-mails from all over the country.

Library staff oversees the volunteers and the collection. Local History Specialist Bridget Hair, volunteer coordinator, is looking for "a few good people" to staff the Local History Room once a week or twice a month. There are currently afternoon and evening shifts open, two to three hours each. Tasks you may be asked to do include photocopying, typing labels, filing and sorting.

If you enjoy working on "mysteries" (searching for answers) and can work alone or with another individual, please give Bridget a call at 330-688-3295. More information may be found on the Local History web page at www.smfpl.org/LH.htm. Or visit the Local History Room, Mondays through Thursdays, 1:00 to 4:00 p.m. and 6:00 to 8:30 p.m.
