

Downloadable Digital Media for Mobile Devices at the Stow-Munroe Falls Public Library

E-Media on Mobile Devices

An eBook is the electronic counterpart of a printed book. eBooks can be read on desktop or laptop computers (Windows or Mac), smartphones, or eBook readers.

EBooks come in multiple formats; our collection includes three basic types, **EPUB** (including **Open EPUB**), **PDF** and **Kindle**.

An audiobook is a downloadable version of a book-on-CD or book-on-tape. Audiobooks can be listened to on desktop or laptop computers (Windows or Mac), many smartphones, and some eBook readers. Our collection contains two audiobook formats: **WMA** and **MP3**.

Overdrive is the company that provides eBooks and audiobooks to our digital library. To check if they support your device, see their Device Resource Center: <http://www.overdrive.com/resources/drc/> .

eBooks and audiobooks from the Stow-Munroe Falls Public Library can be used on devices like tablets and smartphones using these operating systems:

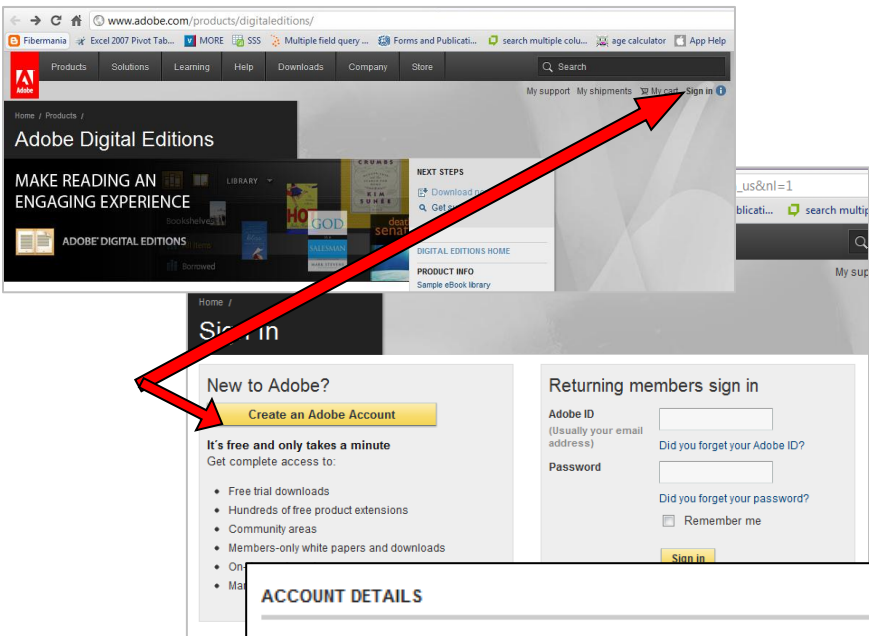

- Android™
- BlackBerry®
- iPhone® / iPad® / iPod touch®
- Windows Mobile®
- Windows Phone 7 Formats for Mobile Devices

Most mobile devices can handle e-books in the EPUB format and audiobooks in the MP3 format only.

Create an Adobe Account

Before you can use the library's eBook collection, you need to create a free Adobe account. This is part of Overdrive's system to track your loan periods, etc.

Open your web browser, go to www.adobe.com and click the Sign In link in the upper right corner. On the next page, click Create an Adobe Account.

After you fill out a short form, your account will be created.

Get the Overdrive Media Console App

The Overdrive Media Console App (OMCA) is available from Apple's App Store, Android Market, and the Windows Marketplace. It can also be obtained at <http://www.overdrive.com/software/omc/>. Follow the site instructions to install the app on your device.

With the app, you can download books wirelessly from the Ohio EBook Project website.

The screenshot shows the OverDrive Media Console website. At the top is the OverDrive logo and navigation links: Market Solutions | Resources | Software / Apps | About | Contact. Below the logo is the title "OverDrive Media Console" and the subtitle "For Desktop and Mobile Platforms". A left sidebar contains links for "OverDrive Media Console", "FAQ", "Accessibility Guide", and "Audiobook Samples". The main content area features a central image of various devices (laptop, desktop monitor, tablet, smartphone) displaying the app interface. Below this image is the text "Choose OverDrive Media Console..." and "Enjoy titles from an OverDrive-powered site anytime, anywhere with OverDrive Media Console... available for mobile devices and computers." To the right is a "Choose version:" section with radio buttons for Desktop (Windows v3.2, Mac v1.1) and Mobile (Android v2.3, BlackBerry v2.3, iPhone/iPad v2.3, Windows Phone 7 v2.3). A "DOWNLOAD NOW" button with a download icon and "Windows v3" is at the bottom right.

Enjoy titles from an OverDrive-powered site anytime, anywhere with OverDrive Media Console... available for mobile devices and computers.

Add a Library

Open the Overdrive Media Console App on your device. The app opens to display the (currently empty) library. Navigate to Get Books. (On iPad, the link appears in the upper right corner; for other devices it can usually be accessed through the menu key.)

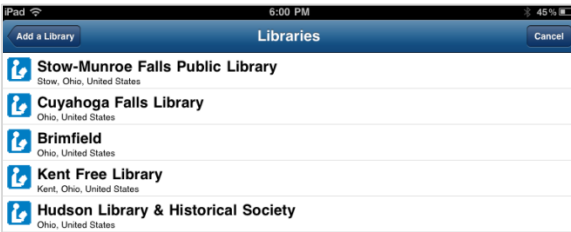

The Get Books screen opens. Click Add a Library at the top of the screen.

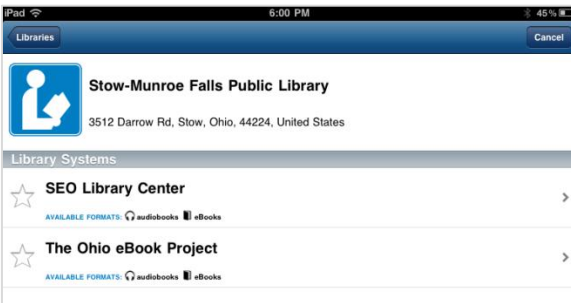

Type your zip code in the search box and click Search to display a list of nearby libraries.

Select the Stow-Munroe Falls Public Library from the list.

On the Library Systems screen, select a system. [We are using the Ohio EBook Project, but the SEO Library Center can be searched the same way.]

Overdrive will remember the library or

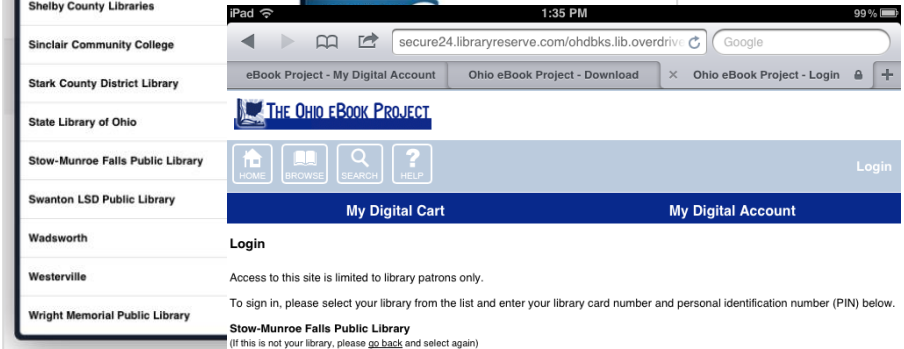

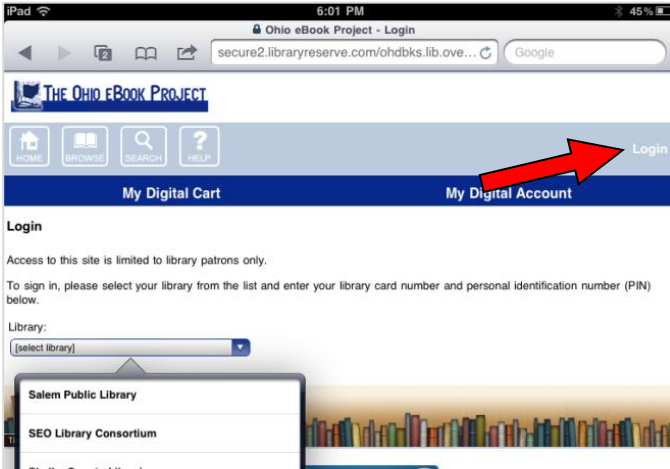

libraries you use; you don't have to add them every time.

Log In to the Ohio Ebook Project

When you click the Ohio eBook Project link, its mobile web page will open. Sign in by clicking Login at the upper right of the screen.

right of the screen.

Select the Stow-Munroe Falls Public Library from the list of libraries.

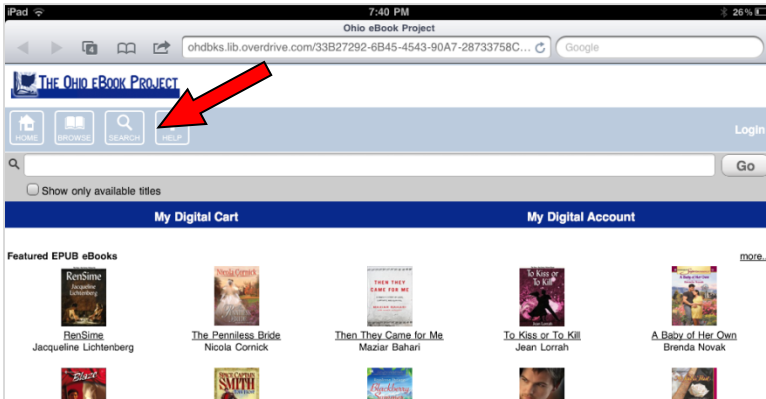

Type your library card number in the box provided,

and click the check box to have your device remember your card number. Click Login.

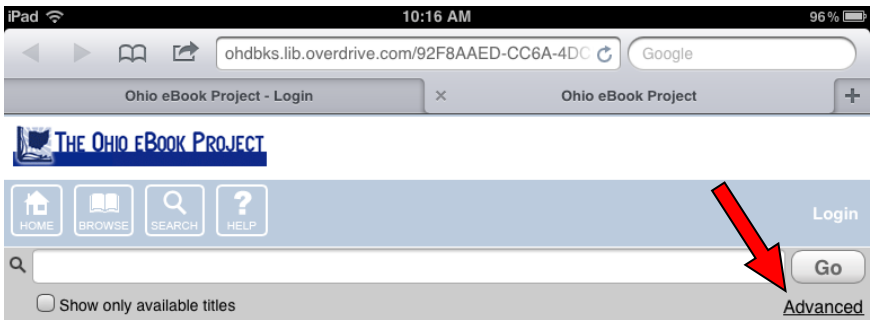

Search for Media

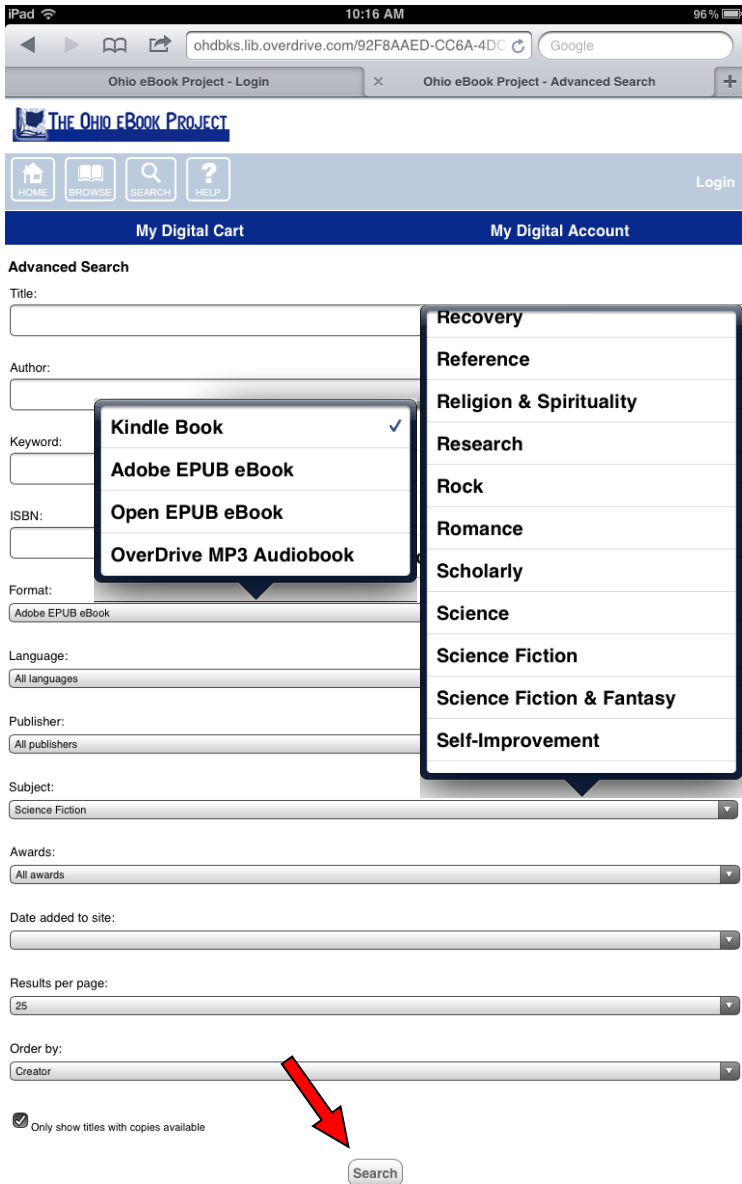

After logging in, click the Search button on the toolbar to open a search box.

On the Search screen, click the Advanced link just below the search box to launch the Advanced Search screen.

The Advanced Search page lets you narrow your search to the format and subject you want, and also limit the results to available titles if you want something to read immediately. When your preferences are set, click Search.

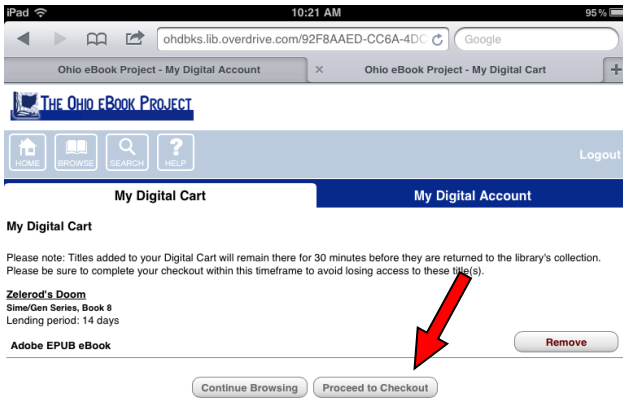

Your list of search results is displayed. Click Add to Cart to begin checking out an item.

The screenshot shows the Ohio eBook Project website on an iPad. The search results for 'Zelerod's Doom' are displayed. The page includes a search bar, navigation links (Home, Browse, Search, Help), and a 'My Digital Cart' button. The search results table has columns for Title, Creator, Popularity, and Date Added. The book 'Zelerod's Doom' is listed with a 'SAMPLE' button and 'Available copies: 1' and 'Library copies: 1'. Below the book information, there are three rows for different formats: Kindle Book, Adobe EPUB eBook, and Open EPUB eBook. Each row has 'Add to cart' and 'Add to wish list' buttons. A red arrow points to the 'Add to cart' button for the Kindle Book format.

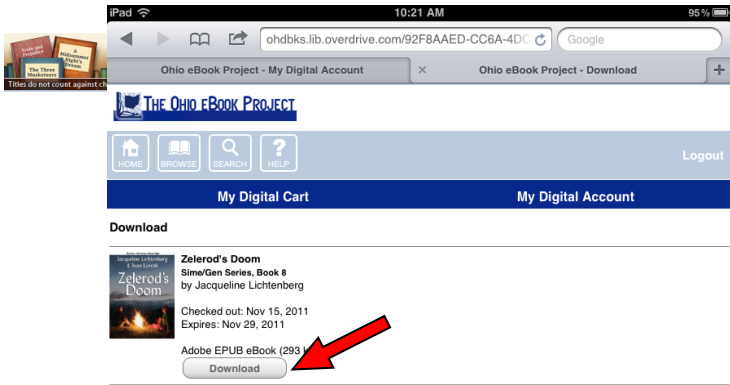

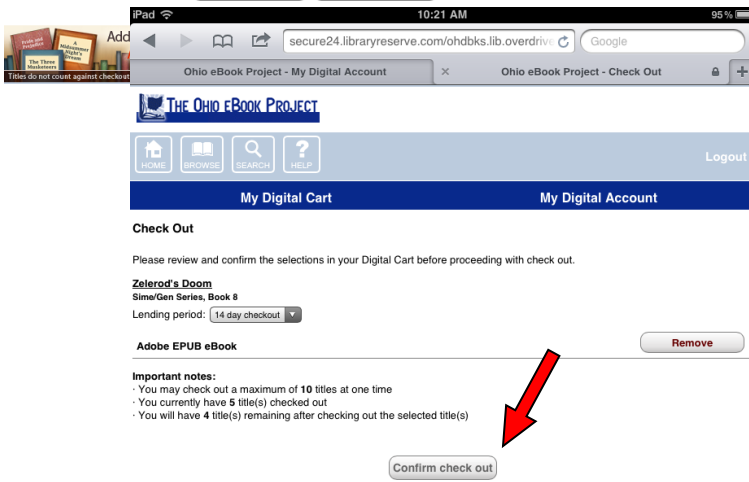

Title	Creator	Popularity	Date Added
 Zelerod's Doom Sime/Gen Series, Book 8 by Jacqueline Lichtenberg SAMPLE			
Available copies: 1 Library copies: 1			
Kindle Book		Add to cart	Add to wish list
Adobe EPUB eBook		Add to cart	Add to wish list
Open EPUB eBook		Add to cart	Add to wish list

Be sure to select the correct format:

- With the Overdrive App you can read EPUBs or listen to MP3 audiobooks.
- If you check out a Kindle Book you'll need to get the (free) Kindle App.

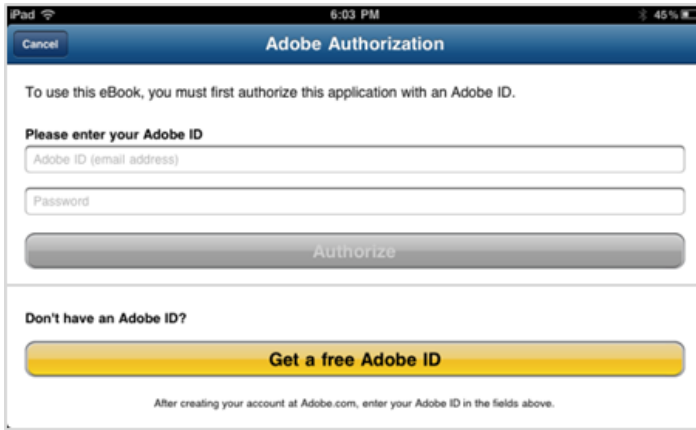

Follow the on-screen prompts to complete the check-out process, and click Download to begin transferring the title to your mobile device.

OverDrive Media Console is available for Android™, BlackBerry®, iPhone® (including iPad™ & iPod touch®), & Windows Phone 7 devices. Other devices may support some formats but you may need to download to a computer then transfer to the device. [Visit the Device Resource Center for more info.](#)

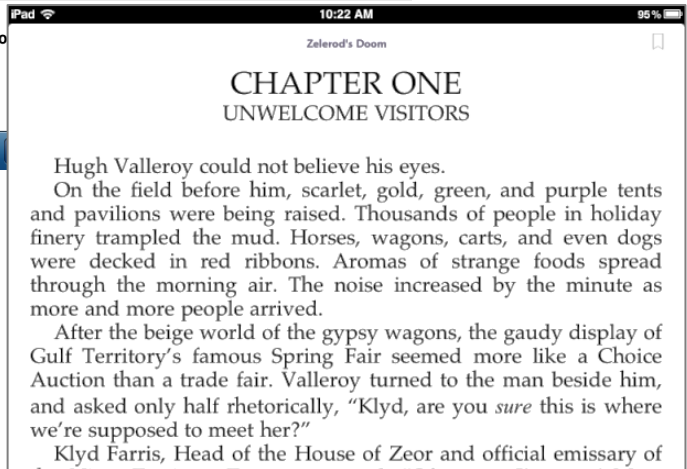

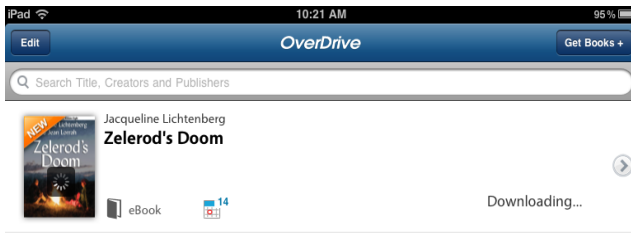

The first time you get a book from the Ohio eBook Project, you will need to enter your

Adobe ID. Your device should remember it from then on.

Once the book is downloaded, it shows up in the

Overdrive library. Tap the cover to load and read it.

Reserve an eBook

If all the virtual copies of your book are checked out, click "Join the waiting list." This places you on a hold list, just like with a print book.

Title	Creator	Popularity	Date Added
