Teacher Services at Spike’s Place

The Stow-Munroe Falls Public Library Children Services Department seeks to support the work of teachers and provide vital resources to educators. We have many services created especially for teachers, but we know that we can’t anticipate all of your needs, so please contact us if there is anything we can do to make your job easier!

Teacher cards
Teacher cards are available to any currently employed Pre-K through Grade 12 teacher. Homeschool parents with a letter of verification from the district can also receive a teacher card. A teacher card provides a six-week loan period with no renewals for:

- Print materials
- Playaways and audiobooks on CD
- Playaway Launchpads and Views
- Nonfiction audiovisual materials
- 2 holiday items (with stickers)
- Kits and flashcards
- Music CDs

Please note that new items, items from SearchOhio, fiction DVDs and items for personal use cannot be checked out or requested with a teacher card. If an overdue item exceeds six months, you will not be permitted to check out any additional items until the item is returned or paid for.

Teacher loans
Books can be pulled for your classroom on a one-time or ongoing basis with a valid teacher card. With 24 hours’ notice, materials can be pulled and made ready for pick-up or can be sent to your building via the Stow-Munroe Falls City School District delivery system. If you are interested in a monthly loan of hand-selected, age-appropriate materials contact us to set up this service.

We are here for you
We offer many different services including eBooks, online databases, a parent-teacher collection, tours and book talks. You can access our eBooks and online databases from our website, and we can provide specialized instruction to your students on accessing these important online resources. Our parent-teacher collection provides curriculum support and classroom management ideas. We also give book talks to your students and provide tours of the library upon request. If you would like to visit the library with your class, please schedule one month in advance.
