Computer Classes resume in September

Adult computer classes will resume in September. A schedule of classes will be available by the last week of August.

Need to Use a Computer? Call ahead and reserve one!

Computers with **Internet Access**, located in the Adult Services Department of the library are always in great demand. If you are planning a trip to the library to use the computer, please **call ahead** and make a reservation. There may **NOT** be one available if you don't make a reservation! Computer time can be reserved up to **one week** in advance. Staff at the Adult Information Desk can schedule you for up to two hours of time once per day, Monday through Saturday and up to one hour of time on Sunday. Don't be disappointed! Call ahead! To make an appointment, call the Adult Services Department at 330-688-3295.

Computer Training

The library offers classes for beginning computer users and more advanced users. They include Introduction to Computers, Introduction to the Internet, and training in Microsoft Word and Microsoft Excel. Classes are offered both day and evening at no charge. The class calendar can be viewed at www.smfpl.org/calendar.htm.

New Computer Class Signup Procedure

You no longer have to sign up for computer classes weeks ahead of time! Instead, we will have numbered tickets for each class at the Adult Information Desk. On the day of the class, starting **one half-hour before class time**, the tickets will be given out on a first-come, first-served basis.

Students should have their Stow-Munroe Falls Public Library cards available when they come for their tickets.

The classroom has eleven seats at computers and an additional three seats without a computer. If all eleven "computer" tickets are taken, three "non-computer" tickets will go to the next three students. This change is to prevent students from being closed out of classes on the first day of registrations. We hope that this new system will make it easier for our students to get the classes they want.
