COMMITTEE TO STUDY EDUCATION

A Citizens Committee for Education has just been formed for the purpose of studying any educational problems which may arise in Stow. One immediate job on its agenda is to acquaint everyone in the Stow School district with all the facts surrounding the upcoming bond issue for building a new elementary school at Call and Fish Creek Roads. There have been several committees in the past, formed for special purposes, which have disbanded after the particular reasons for them became outdated.

This committee is to be a continuing one, hoping to act as a permanent liaison group between the general public and the school board, improving communications which grow more difficult as the population grows.

Participating members of the committee to date are: C. J. Dodd, chairman; Howard Kleins, secretary-treasurer; Mrs. William Kaufman, who is president of Stow High PTA; Mrs. C. R. MacIntyre, president of Highland PTA in Stow. The immediate president of Riverview PTA; Wallace Chisman, head of adult education for Community Council; James Fallone, president of Community Council; Mrs. T. C. Alexander, Garden Forum's representative to Community Council; Robert Reynolds, immediate past president of Community Council; Mrs. H. Alexander, chairman of a previous citizens' committee.

Anyone with any question concerning public education is urged to contact one of these committee members for an answer. Future meetings will be published, with the answers, in a special column in The Stow Press. This first column is on page 2 of this issue.

HONEY BEES CONDUCT SALE

Conducting a bake sale for the benefit of the Vineyard Haven, Mrs. Roxie, 4-H Club under the leadership of Doreen Butler. Holding the cake are Deborah Roper, left, and

John McKeever, front row, left to right, are Mike Burke, Tom Hoffsommer, Barbara Edwards and Richard Philp. The bake sale was held last Saturday at Co-op Supermarket in Stow Place.

STICKY TO THE BISHOP'S MANTLE

Stow Players Inc.'s spring production has been cast and rehearsals are underway. The three-act play "The Bishop's Mantle," based on a novel written by Agnes Slight Turnbull, will be directed by Clara Hibbard.

Lea Landoll has been chosen to play the leading role of the young minister, Hilary Laurens. Also in the cast will be M. J. Higgins, Bill McCaslin, John H. Buckley, Lu Martin, Beverly McDonald, Estelle Snyder, Betty Jane Foster, Mary Frasca, Jacques Vogel, Mary Barnes and Lorene Hibbard.

Technical Director will be W. P. McCann; business man, Mrs. M. J. Higgins; bookkeeper, Mrs. W. P. McCann; ticket chairman, Mrs. Lea Landoll.

The play will be staged in the Players Room of Village Hall on May 4, 5, 11, 12, 18 and 19.

Captain Harper Stresses Courtesy

POLICE CAPTAIN PHOTOGRAPHS FOR CRIME DEDUCTION

By Nancy Lee Riney

"No matter what the situation may be...or under what circumstances...each member of the police must be well groomed and courteous," Captain Ronald Harper, Stow Police Department emphasizes. "I'm very proud of every man, including the 'specials,' who work for me. We stress neat appearance and courtesy at all times."

"When dealing with the public there is never the slightest reason for any patrolman's discourtesy," Captain Harper affirms. "A patrolman finds it is necessary to issue a citation...there is no need for a lecture. If a man is told to go or a warning is necessitated...then there should be no citation. Here in Stow, courtesy is emphasized at all times."

Captain and Mrs. Harper (Donna) live in Maplewood Park at 3850 Chapman Street with Captain Harper's two foster children, Larry, 10, and David, eight, and Donna and Ronald's own children, Ronnie, Jr., three, and Jeff, eight months. The Harpers are members of the Stow Church of Christ. Both adult Harpers are bowling enthusiasts.

After graduating from Cleveland High School High School with a B.A. in Art, Captain Harper joined the armed forces and served for 4½ years, of which 1½ years was spent with the Criminal Investigating Department of U.S. Army. He came back home for the Summit County Sheriff's Office until Stow Police Department was formed, in which he was the first patrolman. Donna is a life-long resident of Stow.

Photography has been a prime interest of Captain Harper's since his youth. When Stow's Building, Zoning and Road Departments, under Joe Hale, Service director, needed a photographer, Captain Harper volunteered. His interest in taking photographs was piqued when the village secured a camera. Now he assists Stow Police by taking all photographs used in crime deductions.

Along with this photography, Captain Harper's job has many angles. He is in charge of all new Police personnel and the guidance and direction of this personnel. He is in charge of job assignments, conduct and discipline of his staff. He is in charge of the radar patrol. He supervises the Stow Police School. If a police officer had a possible shadow. To accompany the Captain on a week's tour of activity, duty would make a Don Knotts out of a neat, versatile man."

SCHOOL

Town Hall

Council's Planning Committee recommended Ordinance 36, containing several changes in the zoning ordinance. After the first reading, it was referred immediately to the Planning Commission, which happened to be meeting at the same time at Village Hall. The Planning Commission sent it back to Council the same evening, recommending its passage.

The ordinance would eliminate the R-3 Residence District, and change the R-2 Residence Districts from a minimum lot area of 40,000 and 20,000 to 30,000 and 15,000 square feet, respectively. Changes in special compliance sections of the ordinance call for a minimum lot area of 12,000 square feet, including a building line width of 100 feet and front yard depth of 50 feet from street line in R-1 Residence Districts. R-2 districts would require a minimum lot area of 12,000 square feet with a building line of 50 feet and front yard depth of 40 feet from the street line.

Public hearing on this ordinance has been set for April 28 at 7 p.m. at Town Hall.

Council received a bid from Amulco Construction Co.'s for flexible type pavement for Commerce Dr., the new road through Industrial Park. Bid was $111,177.88.

A sidewalk strip on Commerce Dr. was provided for by resolution passed at 2 a.m., emergency session.

An ordinance was passed appointing personnel for police department radio dispatching.

Police Sgt. Flavel received an increase in salary from $4800 to $4980 annually, when Council passed Ordinance 37.

Swimming Pools Must Be Fenced

Council passed as an emergency measure an ordinance requiring permits and inspection fees ($25) for constructing outdoor swimming pools, and requiring a 4-ft. high fence surrounding each pool.

Second reading was heard of the snow removal ordinance. Planning Committee of Council referred a petition for rezoning in Citizens, to Calco property just west of present retail land (B&K Golf Range), to the Planning Commission.

Special Police Appointed

Mayor Charles Monteleone announced appointment of Lawrence Miller and Robert Hall as special policemen.

READERS LETTERS

To the Editor:

Stow's schools need planning! Again this spring, Stow voters are asked to vote for the levy to build an elementary school.

Many citizens of Stow want a new high school. They will pay for it if given the chance. Before this continuous bond issues for more elementary schools, they should have assurance that the needs of the high school youth are being met.

A high school must be built as a high school to Calco property just west of present retail land (B&K Golf Range), to the Planning Commission.

Special Police Appointed

Mayor Charles Monteleone announced appointment of Lawrence Miller and Robert Hall as special policemen.

The city council will know where they stand, students will have something to look forward to and teachers will be encouraged to stay at Stow. Let's Plan Ahead!

Is the Answer to Your School Question here?

This column will be used weekly for questions from the public concerning any phase of public education. The answers will be provided by the newly formed Citizens Committee for Education. You are encouraged to ask questions to the Stow Press, unsigned, if you prefer. The Press will turn them over, without signatures in any case, to the Committee.

Question: Why aren't present elementary schools enlarged instead of new ones being built?

Answer: A comprehensive survey of the State of Ohio shows the 20-room elementary building is the most efficient and most popular unit.

Question: What is Lakeview School on Graham Rd. to be used for?

Answer: The present plans for Lakeview School is to house the seventh grade.

Question: Why is the Board of Education asking for funds to build another elementary school instead of building more on Lakeview School property? and to a complete building. In this case, several additional housing developments have come into being and the lower element of the school has grown faster than anticipated.

Answer: Operating in conjunction with the high school, can house 1410 pupils normally.

Actually, the enrollment for this area will be about 1600 in September, 1960. At the lower elementary levels, the three buildings together have a capacity of 1700, but there will be about 1400 in September, 1960. By September, 1961, the earliest date a new building could be ready. If voted on in May, 1960, the elementary enrollment in mid-September, 1961, would be 2100, some 330 above capacity at that time.

To wait until November, 1960, to vote this elementary building, would mean one full year completion date.

Bill Peters and Jerry Stranahan, a proud of the company, as they represent., custard stands on wheels, known intimately in Maplewood Park especially, as "Mr. Softie." A business with a conscience - or public relations with civic welfare at heart - whichever way you look at it, "Mr. Softie" dispenses goodwill right along with its frozen custard.

**Safety Clubs for Children**

Custard stands on wheels carry out a Safety for Children program stressed by specially trained drivers, for as the truck represents a special treat and is welcomed by children of all ages, there is a real opportunity for Mr. Softie to teach safety. Throughout the world-wide chain, safety clubs, have been formed, making each child customer aware of the simple rules of safety. On special "change envelopes" used for change returns, safety is stressed. Membership buttons and cards are given out with a variety of soda fountain treats. Special curb-side windows make it compulsory for children to be served from the curb rather than the street. Drivers instruct children in traffic safety at every opportunity.

**Read to Help in Emergency**

Each truck is a recognized emergency unit for Civil Defense. In case of disaster, because each truck is fully equipped with a 10,000 watt portable type generator, this power could be used for flood light service or to light 10 homes. There is also a 40 gallon supply of uncontaminated hot or cold water and hot water heater. Each deep freeze unit, plus refrigerator space, could transport many pounds of food and medicine to any disaster area. Multiply this help by the 30 such equipped trucks in this area alone and the usefulness of this equipment for Civil Defense purposes becomes impressive.

William Peters, 3275 Patty Ann Dr., is the "man behind Mr. Softie" in the northeastern Ohio district. Once, but no longer, a spare time job with Peters, he admits now he has little time for any thing else.

**Kitchen**

Eggs are high on the "good supply - good buy" list. Because of their excellent nutritious value and versatility, they are good menu-builders. Try this menu for a lift to jaded appetites.

**CREAMED CHICKEN OMELET**

Yield: 3 to 4 servings

1 tablespoon butter 1/2 teaspoon salt
4 eggs
2 tablespoons cream

Add butter to skillet and place over medium heat until bubbly. Combine eggs, salt, and cream. Stir until yellow is uniform and mixture thick. Pour this cream into skillet and cook over medium heat until egg is slightly set and some liquid remains on surface. Tilt the pan slight edges of egg opposite handle with spatula. This allows uncooked egg to run under the edge of cooked mixture. Cover with lid for about 1/2 minute to allow surface to become creamy.

Combine 10-1/2 ounce can condensed cream of chicken soup with 1 tablespoon flour and 1/2 cup milk. Spread soup mixture over cooked omelet. Sprinkle with 1/2 cup toasted sliced almonds. Fold and serve at once on a hot platter.

**MR. SOFTIE IS STRONG ON SAFETY**

By Kathy Martin

March 30 was, more or less, a free day for the teachers. Although they were required to check in and check out, they were relieved of their teaching duties. This was Thursday that gives the entire senior class an opportunity to display their acquired maturity and adult ways. Every senior who desires such, is given a class to teach. Mr. Butz, Mr. Con¬

**CLUB NEWS**

Stow Players, Inc., will meet in the Players Room of Village Hall Tuesday, April 5, at 8:30 p.m. Robert P. Vogel will con¬
duct a special workshop program designed to interest all members. Stow Culture Club will hear Mrs. C. R. Augen, the choir director of Silver Lake Church, present a reading, "The Easter Story" when they meet Thursday April 7 at 1:30 p.m. in the First Christian Church.

Mother Nature is keeping many produce items higher than they would normally be. The hardy vegetables and those from the Western growing areas are the most economical. It will be a week or so before meat prices become nearly normal again. Marketing of livestock has been disrupted by bad weather.
Kadens Court Will Honor Olive Harrington

Olive M. Harrington, wife of Dr. Kent H. Harrington, 3355 Lakeview Blvd., will be honored to serve one year as High Priestess of the Kadens Court of the Ladies Oriental Shrine of North America at an impressive installation ceremony to be held Wednesday, April 6, following a banquet at the Masonic Temple in Akron.

For the past five years Mrs. Harrington has been actively moving up through the chairs of honor in this court of 900 members, all wives of members of the Tadmor Shrine Temple, which recently celebrated a 35th Anniversary. There are 73 such courts including those in Hawaii, Canada, and the United States.

To Attend Grand Council in May
Dr. and Mrs. Harrington plan to leave early in May. He will visit friends while she attends Grand Council, held in San Francisco the last week of May. The 73 courts will be represented.

Attending from the Kadens Court with Olive will be three other officers plus 24 members of the Ladies Patrol, who will participate in various drills. During Grand Council, Georgia Herig, Reed of the Tarum Court of the Indianapolis area will be installed in the very highest position as Grand High Priestess.

Helping Crippled Children
The most important project of the court has been sewing children's clothing, using diapers, bibs, bed pads, to be sent to the 17 different Hospitals specializing in the Shriners care of crippled children. Many of these children in need of physical help for their crippled limbs can be helped, regardless of their color or creed. All expenses and personal needs are

along with active membership in Nellita Chapter of Eastern Star in North Hill. Olive is also a charter member of the Olentangy Garden Club in Stow and a member of the Cuyahoga Falls Methodist Church.

Mabel Shaffer (Mrs. Russell), 150 Munroe Falls Ave., and the Elmer Frys, 3666 Darrow Rd., toured to New York for a delightful weekend with the recent Kent State University planned trip.

Mabel's memories of the trip will feature "My Fair Lady," Radio City, seeing herself on a closing circuit TV, a visit to the United Nations Bldg., to Chinatown, where she bought herself a pair of jade earrings to remember it by. She'll not forget the druggist, either, who steered her to getting a needed prescription from a petite Chinese woman doctor at a hospital instead of to a high-priced private physician. (Did she tell him she worked for Stow Pharmacy?)

The Frys took special pleasure in the Guggenheim Museum of Modern Art, a new building designed by Howard Lloyd Wright, "very different and very beautiful," according to Mrs. Fry.

This was their second Kent State tour of New York, so they planned some different pastimes. Took in Dodie Goodman's off-Broadway musical, "Parade," and the Museum of Natural History. Fry went in a party of six with the Joseph McLeod of Cuyahoga Falls and the William Wadell of Tallmadge.

Howard Price, long time Stow resident who has been living with his wife in California, has been quite ill lately. His daughter, Mrs. Grace Allison, 3466 S. Sanford Ave., reports he is so very much cheered by mail from Stow, that a card or note from those of you who know him will be very much appreciated. The address is 2160 W. Atlantic Ave., Long Beach, California.

Ladies Auxiliary to Hold Auction

The Ladies Auxiliary of the Munroe Falls Fire Department will hold Guest Night and members are asked to bring articles wrapped for auction for the April meeting to be held, Wednesday, April 9, at 7:30, at the Fire Station. Hostesses will be Mrs. Daniel Dove, Mrs. Mitt Helming and Mrs. Earl Wilson. The Summit County meeting was held March 23, at Northampton, and in May Twinsburg will play host to the fourteen members of the County Auxiliaries. Mrs. Melvin Schneider wishes it known that she is accepting articles for rummage at any time at her home, 1786 Northcircle, where she will hold her annual Rummage Sale for two days, Friday and Saturday, July 15 and 16. Anyone having items to be given should call Mrs. Schneider at OV 13329, and she will make arrangements for pick-up.

Mrs. Herbert Lauer entertained with a birthday party, March 19, honoring the birthday of Mrs. Gladys Monco, Cuyahoga Falls. On Sunday, March 20, Mr. and Mrs. Lauer went to Canton to visit the William Daiets. Mrs. Della Shay, sister of Mrs. Lauer, from Springfield, Ohio, will be spending the month of April at the Lauer residence.

Many happy returns of the day to Leuncia Miller and Fern Rudak, both Ladies Auxiliary members of the Fire Department, who will observe their birthdays on the same day, April 6. Mrs. Miller is at present night dispatcher for the Stow Police Department, and the wife of Village Road Sup't Richard Miller.

Stow Missionary Chapel will be host to the Beech Homenoot Church of Louisville, Ohio, Sunday evening, April 3. The chorus is directed by Eugene Herzburger.

When 'Hast' Is Vast

Marcus Aurelius

Pressed papyrus

And wrote—

'Think less on what thou hast not

And more on what thou hast.'

A noble worldly quote.

But note—

Can it be proven

Marcus Aurelius

Ever packed his 'hast' for moving?

I wish my 'hast' were less,

I'm in the middle of a moving mess.

Gracious Sikes

Munroe Manor Estates, five on Millwood Avenue, and three on Prentiss Street. They are Mr. and Mrs. John Cady, Mr. and Mrs. Lowell Wood, Mr. and Mrs. Maurice Johnson, the R. J. Junior Pilgrims Make Church History Tape

Junior Pilgrimage Fellowship made up of seventh and eighth graders, of Stow Community Church has taken on an interesting and challenging project: making a tape-recording presentation of the church - past, present and future. The tape will be used to tell the story of the church to new members.

Youngsters working on the job are divided into three committees: research, technical and writing. Advised by Mr. and Mrs. Joe Sherlock, and helped with the historical facts by Mrs. Ralph Nichols, are Dick Sherlock, Bonnie Suppes, Jeffery MacAdam, Vivian Sherlock, Sandy Parker, Marjorie Ingraham, Barbara Burdette, Ray Toder, Elizabeth Whelester, Patty Montgomery.

They plan taping a few minutes of different Sunday School classes, and highlights of various organizations, and a portion of church services. Then the various segments will be segued into a half-hour narrative.

Meeting Place Changed

Stow Christian and Missionary Alliance Church, having outgrown its former meeting place at the Glen Eden Apartments, is now holding services at Riverview School, 240 North River Rd.

Sloop Granted Coaching Leave of Absence

Harold Sloop, who has been Stow High's baseball coach for many seasons, has requested and been granted a leave of absence from his coaching duties this spring in order to take over baseball coaching for Akron University.

Sloop will continue his duties as Junior High physical education instructor at Stow.

Sloop has been working with the team a little over two weeks now, and is enthusiastic about the experience.

"It promises to be very stimulating," he said. "We'll play most of the teams in the Ohio Conference, and also Western Pennsylvania teams. There'll be no more getting nine good men on the field at one time."

Russ Heilman, Akron U.'s regular baseball coach, is unable to serve in that capacity this year because of illness.

WINNERS OF POLAR BEAR AWARD

Winners of the patrol flag of Boy Scout Troop 174 last weekend were the Patrols B and C. On the camp-out were 43 boys, 18 of whom slept outside to win their Polar Bear awards.

A MESSAGE OF INTEREST TO EVERY CHEVROLET OWNER IN STOW
(and to all other car owners too)

Chevrolet's owner relation program makes your satisfaction our first consideration!

Here's an important message for people who own a Chevrolet — or are thinking of buying a new one. Chevrolet Motor Division operates a department of owner relations and, as far as we know, the only one in the industry. Its policy is to see that Chevrolet owners are completely satisfied with Chevrolet products and Chevrolet service.

MARHOFER CHEVROLET INC. has this policy in action, seeing to it that you're well taken care of when you do business with us. Here are the extra benefits you'll get as a Chevrolet owner:

When you buy Chevy...
Enjoy the confidence of knowing that CHEVROLET is built with the quality you expect. That's because of the excellence of Chevrolet's engineering and rigorous inspection of details at the factory. MARHOFER CHEV. INC. pledges itself to delivering your new Chevrolet in a condition of complete quality.

While you drive Chevy...
MARHOFER CHEV. INC. is prepared to take better care of you with better service after you buy this fine product. It's our way of assuring you of the continued pleasure and satisfaction originally built into your Chevrolet.

When you trade Chevy...
MARHOFER CHEV. INC. salesmen are ready to serve you again! Chevrolets traditionally bring you more at trading time ....... And if you're about to become a member of the Chevrole family you too can count on us for a top appraisal.

MARHOFER CHEVROLET, INC.
