TV'S Jim Graner, Former Bulldog, Wishes This Year's Team Success
Recalls Unique Play When He Was Captain.

With great pleasure we publish an open letter to the Bulldogs from Jim Graner, former Stow football star (see letter), and now popular sports announcer at KYW-TV and Radio WQAR, Cleveland. With his letter, Jim sent the first dues received for the 1960-61 Booster Club membership, and we swiped from his scrapbook a picture of the 1935 team, many of whose faces are still familiar in Stow. Thanks, Jim...P. K.

By Jim Graner

Chances are you don't know me. My football accomplishments at Stow High School were never of such proportions as to warrant special recognition to be forever recorded for upcoming generations to emulate. As a matter of fact, I was lucky to make the team.

On the other hand, if you're breaking training regulations, and still awake at 11:15 at night, you perhaps, are tuned to television, watching a certain sports program. You may also be wondering how this man could have ever played football for any high school, let alone Stow.

25 years is a long time. The game is more streamlined and scientific today. The players are bigger and faster. I played end on the 1935 & '36 football teams, weighing 185 pounds. But then we didn't have the extra weight advantage that comes from wearing the present-day face guard.

Peg Knight granted me this space in the Stow Press. My thanks to her for a chance to reminisce because so many happy years were spent in Stow.

My most vivid recollection of football at Stow concerns our only loss during the 1935 season and my responsibility for it. This is a true story — no embellishment.

Bill Barr, your current principal, was coaching the team in 1935. He undoubtedly recalls this. The team had won 5 or 6 straight and was playing an out-of-conference foe. All seniors had been named captain for individual games — as was the custom in those days to appoint one for each contest — so he went to the juniors on the squad. He named me captain for the game against MacDonald.

(Cont. on Page 5)
Let There Be Light

Letter to the Editor:

I hope the authorities are considering fast action on Street lights for the corner of Graham Rd. and/or Lakeview and Adeline Dr. It’s going to be rough to avoid accidents on foot or driving with the football season upon us and new exits and entrances to the parking lot.

Though police have been duty there in past years, the only lights I’ve seen have been small flashlights in their hands. Driving east on Graham Rd.,

Adult Education Program

The Citizen’s Committee for Education met on Friday evening, Sept. 16, at Wally Chisam’s cottage at Muzzy Lake just south of Ravenna. Gene Dominic outlined preliminary plans for the Adult Education Program for the coming fall term.

In addition to the usual, popular appeal, subjects given if enough interest is expressed, they plan to have volleyball and golf classes for both men and women.

Classes are tentatively planned to start Oct. 4th. Registration blanks will soon be available for those interested in signing. For further information, call Mr. Dominic at OV 8-8266.

Munroe Falls Pipeline

The dismissal of Emanuel J. Spiegel as heating and Electrical Inspector for the Village of Munroe Falls, was made known this week, by a letter written by Mayor Donald Lyle Jr. to Spiegel, relieving Spiegel of his duties after a tour by Lyle and members of Council of new homes in the Munroe Falls Estates. This tour had been set as an aftermath of residents’ attendance at Council meeting Sept. 6, regarding conditions which existed in their new homes.

The tour revealed substandard conditions and widespread violations of Village codes.

Spiegel will continue as Building Inspector. His present salary is $900 annually with a 30% commission on all Building, Lighting and Electrical permits issued by him.

Council has approved the appointment of Kenneth A. Burns, 40, 151 Spray Drive, as the new Electrical and Heating Inspector.

Mr. Burns was an employee of the Deere Electric Company of Akron, a Village resident for two years.

GARDEN CLUB TO HOLD SALAD SUPPER

Members of the Munroe Falls Garden Club will hold a salad supper for members only, Saturday, September 26, at 6:30 at the Village Hall. Hostesses will be Owen Oakes, and Charles Marinics. Members will each bring a salad and a dessert. The program will include "Party Inspirations" given by Mrs. Earl Baker, of Tallmadge.

CUB SCOUT PACK 3175 HOLDS PET SHOW

When members of Cub Scout Pack 3175 hold their first get-together for the fall season, Tuesday, September 27, at 7:30, Riverview School, Cubbers will feature their pets, as the interesting program planned for the evening. Charles Conley, Cubmaster, and Don Mohrers are very much in demand, in order to get weekly Den meetings set up for the winter.

Mr. and Mrs. Frank Cueni, and Mrs. Frank McKee, of Miami, Florida, have been house guests of the Richard Cuenis’, Lindsay Road, for the past month.

Mr. and Mrs. Richard Miller, 108 Northmoreland, will celebrate their fourteenth wedding anniversary September 29. Mr. Miller is Village Road Supt, and Mrs. Miller is employed as Police Dispatcher for the Stow Police Department. The Millers have two children, Edren, Caran and Johnny.

Munroe Falls

A very belated birthday to C. M. Jenkins, Wilbur Drive, who celebrated his seventy-seventh birthday, August 20.

Chris Nicholson, son of the Emile Nicholsons, a second grader at Holy Family School, had a grand time when he celebrated his seventh birthday Saturday, September 10. And Philip Miller will be ten years old on September 25. Phil is a fifth grader at Riverview School.

Five members of the 1960 graduating Class of Stow High, and Village residents, will be entering college this fall. They are Bob Cueni, son of Mr. and Mrs. Richard Cueni, Lindsey Road, will leave soon for Bethany College; John Horvath, son of the George Horvat's, 194 Munroe Falls Avenue, will attend University of Akron; Jack Wright, son of Mr. and Mrs. Donald Wright, 401 North River Road, will go to Hiram; and Pam Weber, daughter of Mr. and Mrs. Charles Weber, 110 North River Road, and Lowell Body, son of the Lowell Bodies' 210 Main Street, will enter Kent State.

Betty and Owen Oakes, Spray Drive, enjoyed a weekend at their retreat, Piedmont Lake.

A very belated anniversary congratulation to Mr. and Mrs. R. R. Heath, Spray Drive, who celebrated their forty-fourth wedding anniversary July 18. Mrs. Heath was recently crowned Queen by the TOPS chapter of Stow at a party held at the home of Mrs. Rita Kontra in Cuyahoga Falls. Each three months the member losing the most weight during that time is crowned Queen.

Newly appointed Village Electrical and Hearing Inspector Kenneth A. Burns. All future permits may be obtained by writing Mr. Burns. OV 8-5395 or by making application at the Village Hall, or by contacting Village Clerk, Virginia L. Dove, OV 8-4466.
Stow Rotary Ann's
To Form Chapter

Today (Sept. 22) at 12:30, a special luncheon is to be given at the Smorgasbord Restaurant by the members of the Cuyahoga Falls and Silver Lake Rotary Clubs for the wives of Stow Rotary Club members who are interested in forming a Stow Chapter.

Mrs. Charles Petty, president of the Falls group, which has a membership of 78, was to preside at this organizational meeting. Nearly twenty Stow ladies were expected to attend.

Maureen Evans Weds Peter Kensicki, Jr.

The marriage of Miss Nancy Maureen Evans, daughter of Mr. and Mrs. Harry M. Evans, 3652 Fish Creek Road, Stow, and Mr. Peter John Kensicki, Jr., son of Mrs. John E. Lucas of 2433 North 4th St., Columbus, was solemnized in a candlelight ceremony Sat., Sept. 19 at 7 p.m. in Christ Church Episcopal, Kent. The Rev. Forrest Bond officiated, assisted by acolyte David Evans, brother of the bride.

The bride, given in marriage by her father, wore a dress of peau satin with a bodice of Chantilly lace with long sleeves. Dainty lace appliques accent the scooped neckline. A wide band of lace circled the floor length skirt of satin. She wore a matching lace crown edged in seed pearls with a finger tip veil of illusion. Her jewelry was a pearl necklace and earring set, gift of the groom. She carried a cascade bouquet of fiji mums, poms and feathered carnations, tied with ivy.

The matron of honor, Mrs. Bruce D. Evans, sister-in-law of the bride, wore blue velvety satin with scoop neckline and short sleeves. Rosette of the same material were on the matching cummerbund and the full skirt. She wore a matching Swedish crown hat with short veil. Her bouquet was of blue tinted, feathered carnations and poms.

The bridesmaids, Miss Beverly Stuart of Kent and Miss Betty Boggs of Akron, wore similar dresses with matching pillbox hats.

The flower girl, Ginger Ann Bury, wore a blue silk dress with white organza crepe skirt and carried a basket of white flowers.

The best man was William Macneal of Columbus. The ushers were Jack Witter of Columbus and Henry Evans, brother of the bride. Another brother, Bruce Evans of Detroit, assisted. Mrs. Harry L. Simpson of Akron acted as interpreter.

A reception was held in the undercroft of the church immediately following the ceremony. Mrs. Kensicki is a graduate of Kent State High School and attended Gallaudet College where she was affiliated with Delta Epallon Sorority. Her husband attended Indiana High School and is employed by Harmony Dairy Co. After a wedding trip to Niagara Falls, they will reside in Columbus.

Mrs. Joseph B. Girard (Mary), 1986 Liberty Rd., is well on her way to recovery following major surgery at Akron City Hospital. Cheryl Ann Landoll, daughter of Mr. and Mrs. Leo Landoll, 1743 Ritchie Rd., is home and recovering from an appendectomy.

STORK CLUB

Joan Louise Donze, (8lbs-5 oz.) new arrival of Mr. and Mrs. Richard Donze, Adeline Dr., made her debut September 10. It's three daughters and two sons at the Donze home.

Mr. and Mrs. Robert Beckley, Dayton Ave, welcomed a daughter Joan Marie (8lbs-6 oz.) September 14 at Green Cross Hospital in Cuyahoga Falls. Beckley's have two sons.

The total is even - two sons and two daughters now for Mr. and Mrs. Thomas Wyzymski, 3621 Lakeview Blvd; as they proudly announce the birth of John Richard (7lbs-6 oz.) arriving September 15.

Jim Graner (Cont. from Page 1)

High School. I also did the place kicking for the team.

At midfield we won the flip of the coin. Since I kicked off and enjoyed doing so, instead of electing to receive or at least to defend the goal with the wind to our backs, my choice was to kick. The opposing captain with his 2nd choice, chose the goal with the wind behind him.

Returning to the huddle, coach Barr asked how we made out. I said: "Fine, we won the toss!" "Good," he says, "What are we doing?" "Kicking against the wind," I replied. He was completely aghast at how a captain could win the toss, and end up kicking against the wind. But I had done it. Remember now - I liked to kick the ball.

On the kick-off came a most unusual play. Perfectly legal but I've seen the play pulled just once and it was on this day.

The MacDonald back who received the kick-off - punted the ball back to us - hitting a player who couldn't handle it, and the ball recovered within our 20 yard line. Minutes later I had scored a touchdown, and the final score was 6-0 - our only defeat of the season. And only because I liked to kick the ball. It wasn't surprising that Graner never captained another game. That story has been relayed to Paul Brown during my travels with the club - and he seems quite content, indeed insistent, that I remain in the broadcasting booth, as far away from the action as possible, and has as yet, in 6 years, to ask me for my opinion on football.

These names will ring familiar to you who have been around Stow for 25 years. Boys on those teams of '35 & '36 were Don Stein, Bob Green, Paul Monete & Max Troesch. Nell Nickerson, Murray, Wilbur, Leonard and Gruber, Lambert, Anderson, Carlson, Beckwith, Huddleston & Schlemmer. On the right side of the line, my position was next to Don Stein, the best tackle in the Metropolitan League. I used to trail him in the pursuit of a runner, waiting until he hit him, brought him to his knees, then I'd pile on. All in the hopes of creating the illusion I had made the tackle. It didn't work.

He was named the most valuable player and captain of the squad the following year. The only logical choice.

There is of little purpose to my ramblings here, but I did want to extend to the Bulldogs of 1960 - my sincere and best wishes for a successful and winning season.

And now for the kick-off: And for heavens sake! Receive if you win the flip of the coin.

Drop Opener 12-8

In spite of renewed fighting spirit, Stow lost their first game to Green, 12-8. Corner capped a 50 yd. drive for a touchdown early in the game, Koski converting the extra 2 points.

Coach Fortner commented, "The reason we lost was 3 bad breaks...even though we were on the short side, we were the better team!"
First off, the Girls' Athletic Association is having a spectacular car wash this Saturday. All the girls belonging to the club, ranging from Freshmen to Seniors, will be on hand at the Stow High School semicircular driveway to wash your cars. The girls welcome you to bring them anywhere from 10:00 in the morning till 5:00 in the afternoon. Your cars will be done spic and span inside and out for a dollar donation and whitewalls are even free! So let's support our hardworking highschool teenagers.

We had the "bestest" pep rally ever yet, last Thursday night at the baseball site on the old athletic field. I've never seen such great spirit on the part of the crowd! It was marvelous! Each one can be better and better though, by more people turning out. Seniors seem to be falling down in supporting activities and the year has just begun.

Let's go!

Your attendance is needed immensely at the Stow vs. Norton game tomorrow night! It is the first home game (there are only four this year - all at Highland Grade School Field.) A special section is going to be reserved just for the alumnae of Stow High.

Gerald McClellan is seen nowadays running around school with his left hand in a cast. Gerry broke it while he was carrying the ball and stiffarming a tackle in the first scrimmage. Ronnie Kline broke his hand too, in a practice.

The Sr. Y-Teens have a new advisor. Her name is Mrs. Nichols, our new Home Economics teacher.

Linda Witner is attending school in half day sessions. We're happy she's there at all. She had a kidney infection right before school started and was in the hospital over two weeks.

Mr. Costan one of our guidance counselors, has acquired a new office. It is where the book store used to be. It's really super. The curtains that the Future Nurses of America made him last year give it a distinctive atmosphere.

Mrs. Kaufman one of our Freshman and Senior English teachers, will have with her (and with us) until Christmas a student teacher from Kent State. Mr. Hibbard is a senior there. We all welcome him to teach us, help us learn, and learn from his experiences with us.

Lots of clubs started meeting this week and last. Naturally our dues are due. (Money seems to go like water!) N.P.I., had a huge turnout for its first meeting last week!

---

Chisman Receives Eng. Degree

James Chisman, son of Mr. and Mrs. Wallace Chisman, 2225 Graham Rd., received his Bachelor’s Degree in Industrial engineering at Iowa State University, Iowa City, on Aug. 10.

This week Jim will continue his study at Iowa, working toward his Ph.D. in science while working as an assistant teacher working as an assistant teacher on campus, specializing in laboratory work.

A graduate of Stow High in '53, and Akron U in '58, Jim received a year's government training course through the Firestone Tire and Rubber Co., training at Fort Clinton, O., and White Sands, N. M. He has been married for three years to the former Lois Lessig, daughter of Mr. and Mrs. Edward Lessig of Silver Lake.

Back From Tokyo

Charles L. Henault, M. D., and his wife and three children, 1934 Thordale Stow, recently returned from four years in Tokyo, Japan, where he was stationed at the Air Hospital. He plans to do general practice in this area.

UNICEF and YOU

United Church Women of the Cuy. Falls area will meet Tues., Sept. 27, at 1 p.m. in the First Congregational Church, Broad and Second Sts.

Mrs. Edgar Stratton, committee chairman, will present a film showing UNICEF in operation at home and abroad.

Tea will be served by hostesses from the Bailey Road Christian Church.
