Booster Drive For Members Sat.  To Furnish More Funds For Sports
Hope To Raise Over $1700 Door-To-Door

Saturday, October 1, will see the annual Stow Booster Club door-to-door membership drive for 1960-61, beginning at 1 p.m. with high school students acting as callers for the adult organization. Membership is $1 each.

How money has been spent so far...

Last March's drive was very successful, funds collected being used to help get the high school a new scoreboard, two glass backboards, football tugs, movie film for films of the teams in action, and installation of permanent public address speakers at the football field. A crown nest was also installed by Boosters for use at home games.

Boosters have volunteered their time to handling the concession stand at Wednesday night games.

Additional needs...

Future plans are to enlarge the present track at the athletic field, purchase of additional football equipment, improved lighting at the stadium and building of outdoor basketball courts.

The goal is to exceed the $1700 contributed by Stowites last spring for the membership drive will be held each fall.

Prize giveaway at Homecoming...

In connection with the membership drive, three valuable prizes will be given away at the Stow homecoming game on Oct. 14 when Stow will meet Elyria.

Stow Police Force Helps Find Forger

Captain Ronald Harper and Patrolman Philip Large of the Stow Police, under the supervision of Chief Robert Woodard, were helpful in apprehending the woman forger who successfully cashed a forged check at Stow National Savings & Loan in the Stow-Kent Center June 22.

The woman, Mrs. Janice Mildred Smetller, of Parma, was on probation out of Cleveland when the check was cashed. Three counties were looking for her for forgeries, and law enforcement officers in all three cooperated to solve her identity.

Players Postpone Opening

Stow Players, Inc., is postponing their opening night of "It's a Wonderful Life" from their opening of Jan. 7, one week because of a change in cast. The play will open on Friday, Oct. 7, in the Players Room at Town Hall.

Thora Mills will replace Betty Tung in the role of Karen. Clayton. Thora was Mrs. Gibbons last season in the production, "Mrs. Gibbons." This 3-act mystery, directed by Frank Godfrey, assisted by Bob Kugler, will be presented Oct. 8, 14, 15, 21 and 22.

Phi Delt Chorus Sings For Benefit Holy Family, Tonight

A special attraction tonight at the "Pigskin Party", Holy Family School's benefit bridge, will be the Phi Delta Theta Chorus. Akron University's outstanding female chorus, made up of thirty college men, nationally known for their excellent musical ability. This chorus will present a special program of college songs during the party, which will begin at 8 p.m. in the new church auditorium. The affair is sponsored by the students of first through fourth grade pupils.

Special award of the party will be two tickets to the Notre Dame-Pittsburg football game at South Bend, plus some expense money.

Door prizes include tickets to ten famous local restaurants and 100 appetizer appetizers.

Everyone is welcome to attend. Co-sponsors are Mr. and Mrs. James Hurstcroft and Mrs. Ralph Burksley. Proceeds will be used to purchase a piano and a movie projector for the school.

Bowling Lanes Burgled

Sometime between the hours of 1 and 5 a.m. Monday, Sept. 26, burglars entered the bowling lanes at 3870 Fish Creek Rd., via the kitchen door, pried open the safe, and according to the latest report, transferred the safe being installed about $1,000.

Lassen Acquires "300 Room"

Gerald Lassen, owner of the Route 3 restaurant bearing his name, has added another eating place to his holdings. He recently announced taking over the "300 Room" at Stok-Kent Lanes on Fish Creek Rd., which will be known as "Lassen's 300-Kent".

The two dining rooms will have identical menus, with an additional snack bar at Stok-Kent. Dede Schultz, and Helen Clem have been transferred to serve in the new room, while Cook Mary Beverly is manning the kitchen.
Way Back When

by Frank Green

I have not the date when the Grahams acquired their land, but Henry, the oldest son, was 31 years old in 1863 and married to his 1st wife, Bina Morris. This house was their home for many years and when he moved to the Falls he rented the farm. The edition of 1863, then to

He refused to contribute his share in the tax that was levied. The farm was put up for sale subject to the draft. He said he would defend his property if an attempt was made to carry out the sale. This was contrary to the law.

When men were sent to his home to levy on his property, he met them and shot two of them down. He was wounded in the fight and had to surrender. After several years in the penitentiary, he was pardoned and came back to live on the farm. But the circuit judge of Summit County signed the petition for his pardon.

He lived for several years after that. I have heard many stories about Captain Graham. He was called that by some in the militia for some time. Most of them, no doubt, are true. I will tell only two.

He kept many hogs in a yard. The slop he fed to them in a long trough had to be lifted over the fence. The hogs tried to crowd into the trough. He had a club and made the men work back and until the feed was in the trough. They sneered at them for this but he had heard for a long time. Any self-respecting hog would do that. He was the very illiterate man.

Mr. Graham raised many bushels of peaches. He marketed them in the towns around us. He had a sour apple - Jack and a long seated spring wagon. He put his peaches on a tobacco cart and when they went to market he did this. He was heard for a long time. Any self-respecting hog would do that. He was the very illiterate man.

This completes what I will tell of the Graham family. Little more about the houses they built and the people who lived in them. My best judgment is that the William and Maxwell houses were not built before 1830. They look like Joseph Butler houses. He was the builder of the many houses built off Stow before 1830. They look like Joseph Butler houses. He was the builder of the many houses built of brick off Stow. He was born in 1807 and is buried in our cemetery. In 1834 he was 27 years old.

Young Will Graham lived with his mother until she died in 1899. He is the last of the Graham sons to have his home. He had several tenants. I knew some of them. There are many nice stories scattered over the Graham acres. Mr. and Mrs. Robert Jurnusch have lived for a short time in the William Graham house.

Munroe Falls Pipeline

Members of Village Council and Donald Lyle, owner of the Munroe Falls Police Department, were killed in a police car on a recent trip. The only thing to detail is to have the lives of the people. We were all killed in a police car. At this time all deputy marshals use their own vehicles. The police department is local. Munroe Falls has the only police in the county. Council accepted the bid of Stilp Construction Company for $50,000 for the part of the road from the Berrington Avenue and Lindsay Road.

A resolution was passed by Council asking the Summit County Commissioners to establish a police station in the village, including the police force. This subject was a subject of the operation of machinery after 10 p.m.

Recent dinner guests at the home of Mr. and Mrs. Joe McCue, South Main Street, were Mrs. and Mrs. John Smith, of Cleveland. The Herb Lawrence family of the week of September 24 on vacation but in different areas. Alma left the city and spent the weekend visiting her sister in Springfield, Ohio, while Herb took his fishing gear and went with several other men from the nation. In 1862, the town of Stow spent the week fishing on Lake Erie, at East Harbord.

Mr. and Mrs. Owen Oakes, Spray Drive, will leave the Village Oct. 1 for White Plains, New York, where Owen will spend two months in a training period for an insurance firm. Their son, Addis Settle, a junior at Stow High, will stay with the Martins family on North River Road.

Auxiliary to Hold Covered Dish Supper

The Ladies Auxiliary of the Munroe Falls Fire Department house, 1670 Graham Road and behind the town, will hold a Covered Dish Supper on the Widegale Graham house, 1577 Graham Road, more than 11 years. I have personal memories of all three houses, but enough for now.

and his families will hold a covered dish supper at Pine Park Wed., Oct. 5, at 5:30. This will be the last picnic-style get-together for the games of the season. Election of new officers will take place at the November meeting.

The Rock and Roll Teenage Dance Club held their first dance of the fall season Sept. 17, at the Village Hall. Dances will continue to be held the first and third Thursday of each month. Councilmen are Mr. and Mrs. Richard Miller, Mr. and Mrs. Earl Horvath, Mrs. Oral Iversen, and Mr. and Mrs. Albert Brick.

The Methodist Youth Fellowship of the Munroe Falls Methodist Church started weekly meetings Sept. 18, at the Village Hall. Meetings will be held at 7 o'clock each Sun. evening. Officers for the group at present are: president, Denny Rook; vice-president, Caron Miller; secretary, Marie Tyler; and treasurer, Bob Sallot. Youth Choir practice will be held each Thursday evening.

Wedding anniversary congratulations to Mr. and Mrs. George Horvath, 184 Munroe Falls Ave., who observed their nineteenth anniversary Sept. 26. The Horvaths have been married since 1900 in Stow High, now attending engineering school at Akron and Wayne, a junior at Stow High.

Mrs. Earl Wilson entertained with a luncheon to honor the September birthdays of Alma Lauer, Elice Messersmith, Nee (cox) on p. 4.

No heated by one of our regulars for "Meanest Man in the World" awards, is a school bus driver (NOT SLOW or Holy Family Schools), who showed down temporarily for a puppy, then, when the puppy didn't get out of his way, ran over him, killing a favorite neighborhood pet of all the small children on a one way street. Many children and mothers saw the event—it happened before school one recent evening. Mothers had to carry their children bodily into their homes that afternoon to thwart young plans for stoning the driver when he returned. A tearful burial was held for the beloved victim.

Mr. and Mrs. Russell Moore, 2141 Elsinore Ave., were host and hostess last weekend to Mr. and Mrs. Dick Finley and Mr. and Mrs. G. W. Finley from Rochester, New York.

Mrs. Clinton Davis, 1481 Greene Rd., was surprised with a baby shower on Tuesday, afternoon Sept. 13. Twelve of her neighbors and friends met at the home of Mrs. Al Rowan, 1571 Gangi Dr. Mrs. Bill Webb was hostess.

Mr. and Mrs. R. A. Shallahamer, 3093, Hille Rd., have news concerning their sons, two of whom have recently moved away from Stow. R. Allen and his wife, the former Balmer of Chocohoton, have moved to California following his graduation from Kent State U. He will be associated with American Latex Co. as a research chemist. Following graduation, his younger brother, Richard, will attend one of the schools out there. Their new address is 1910 W. El Segundo Blvd., Apt. 7, Gardena, Cal.

Son Russell, recuperating from a recent operation, has been taking it easy in Florida, doing some fishing. He likes it so well, he has leased his wife and sons to join him and make permanent home at Riverrest Town and Fishing Camp, Box 648, Traversa, Fla.

Youngest son, Kenneth, is working for Atlas Machine Co., and plans to attend night classes at Kent State U.

Happy to report that E. A. Gleason (Art), 4160 Darrow Rd., is making steady progress at St. Thomas Hospital following a heart attack Sept. 3.

Mr. and Mrs. Jack C. Whalen, Kent Ave., are busy unloading their luggage from a three week vacation in Lincoln, Neb., and Mrs. W. F. Perkins, Darrow Rd., entertained Mr. and Mrs. Summers of Elmore, Ohio, last weekend.

An ambulance was dispatched to the Jack Whalen residence on Northview Dr. Friday evening, during the high school football game to speed son Johnny to Children's Hospital for an emergency appendectomy. Progress report states all is fine.

WELCOME NEW NEIGHBORS
Mr. and Mrs. Fred F. Jones (Betty), 3747 Northview Dr., originally from Chicago, were transferred from Norristown, Pa., to Akron area by B. F. Jones, where Mr. Jones is a chem- cal engineer. He is a graduate of Bradley University in the chemical engineering program and also attended night classes at Unris University in business administration. The Joneses have a daughter, Gail, 5; and a son, Steven, 3. They expect another child in March. Fred and Betty enjoy playing bridge and listening to classical music in their leisure hours.

Mr. and Mrs. Jerry Froebel (Shirley), 3640 Adeline Dr., moved to Stow in February from Akron, Shirley's home town, to present, is working on a management training program at M. O'Neil's in Akron. He is a graduate of Bradley University in Peoria, Ill., where he was an industrial arts major. He taught shop and woodworking classes for four years at Thornton Jr. High in Akron. Shirley is a graduate of Akron U. and is teaching economics at Innes Jr. High, Kenmore. The Froebels have a complete workshop in their home and are making all their own furniture (early American Style). Both enjoy following all school sporting events, especially football.

Mr. and Mrs. Jerry Rinesse (Margie), 797 McCauley Rd., are really interested in horses, having three here in Stow (two colt stallions and one riding mare) and 20 horses in Cheyohogan, Mich., where they spent their summers. Rinesse moved to Stow from Lakeland, Fla., in April. He is self employed, doing construction work now for Kallstrom builders in Hudson. Their son, Steven, celebrated his second birthday last Saturday, Jerry held the rank of Master Sergeant in the Infantry for the two years of active duty in Korea during that war.

**Barber Shoppers Sing For Chronically Ill**

In Summit County there is a host of chronically ill patients whose name is legion to hospital admitting offices. They will not recover. They require constant and expensive care. Yet overcrowded hospitals have no place for these suffering people.

Recently, a small group of people on North Hill, working under the name of Good Neighbors, decided to help. They planned a benefit show, rented Goodyear Theater, recruited talents, hired union stage help and sold tickets. The experts said they wouldn't break even. After all expenses were paid, they cleared $1550.00.

The fund has now been incorporated under the name Friendly Neighbors In Action with Jack Kennedy of Goodyear and Judge Zook as trustees. The group now has support from churches and organizations over the county. Now they are working even harder on the evening of Barber shop Quartet Harmony to be held Oct. 1 at Goodyear Theater. The performance will be at 8:15 p.m. Tickets can be purchased at Miroy Music Center or Akron Music Center or Richmans for $1.00. All proceeds go to the fund for a hospital for the chronically ill. It takes a lot of bricks to build a hospital. Won't you help?

The group has been elected as follows:

Superior Mold & Die Co.
Mr. Wm. J. Henry
Mr. Wm. J. Strabic
S. S. Krege Co. - Stow

**HIGH WAYS**

by Terry Moore

Pep Club started last Monday night. Movies of the game with Norton were shown to the public and to members at the high school from 7:30 p.m. to 8:30 p.m. Officers for 1960 were elected. Next Monday, movies of tomorrow night's game.

N.F.L. Club had a meeting concerning debate. If some high school kids are interested, Miss Fry, the advisor, or Larry Ker, president, would be glad to help you.

National Honor Society, (Pat Herman president) had a picnic at Adell Durbin Monday night. People started balking in at 4:30 and with the lure of baseball and other games stayed rather late.

The Spanish II class still stayed after school Tuesday night. No, they weren't bad. Phil Long was staying in the hospital last summer, had met a Spanish doctor, Dr. Fabian, who was nice enough to come to speak to the class.

Wednesday night, the high school was busy again. From 7:00 to 8:00, Megan, the Falls Y.W.C.A. advisor came to the meeting of the Sr. Y-Teens in the Home Economics room of Mrs. Nichols.

Thursday (today) is a restful day. Nothing is planned but something will surely pop up to keep us all hopping to stay in step with the usual busy routine. Tomorrow night it is going to be rough to beat Kent Roosevelt. The game is away and everyone should go. If you don't have a ride, ask around - someone is sure to have room.

Don't forget the car wash this Saturday, October 6th. Last week I said it was that Saturday...Sorry. If you were kind enough to go up to the school you probably saw a sign saying Car Wash, October 6th.

The journalism class is putting out a paper again this year. It's called the BULLDOG and will be published by the Stow Press. It'll even be mailed out to you if you'd like. If you're dying for a subscription and don't know what to do, contact me or Dan Packard, Circulation Manager at OV 8-5413. October 6th, the staff is sponsoring a "Bulldog Bounce", real springy hop with Mrs. Greer's skinny boy Charlie there. Plan to be on hand from 8 to 11:00. It's open to the public.

Thanks to the Stow Booster Club for painting the concession stand and building a neat crows nest at Highland field.

Now, don't forget, here's a list of things going on this Sat.

1. 10:00 to 5:00 - Drive-In Restaurant Car Wash at Stow High.
2. 8:00 to 11:00 - Bulldog Bounce sponsored by Journalism Class.
3. All Day - Students to help Athletic Boosters Association to get new members for 1960.

Did you hear the airplane soaring overhead last Friday night? I was so happy I heard "Everyone come to the game tonight Stow vs. Norton. Home" etc. It was something new! Did you see the stickers on the bumpers of cars? The publicity that the game had was tremendous.

The majorettes have new little "high-ball"-tailored suits. They wear them for pep rallies only.

Varsity Drops Game

To Norton, 44-0

Stow lost their second scheduled game to the league Champs, Norton, Friday night by a score of 44-0. Norton, one of the finest ball clubs in the area, scored 23 points in each half. Earnestly in the second quarter Stow progressed to the Norton one yard line, but failed to make a T.D. Bob Adams, Norton's R. halfback, ran away with the show on T.D. runs - one run going for 65 yards.

Despite the unfavorable game results we enjoyed a record crowd of about 2500 spectators. This was due to the Stow J.C.'s terrific job on pregame publicity combined with ideal weather. It was evident that the Stow Booster Club had worked hard preparing for this game. The revamped public address system with new loudspeakers; a new "crowd's nest" and a repaired concession stand helped to salvage some enjoyment for the large crowd.

Next Friday Stow travels to Kent Roosevelt where they will again see plenty of action. The Bulldogs will be seeking their first win compared to Roosevelt's 2-0 record. Last week Kent Roosevelt toppled highly rated Springfield High by a 20 to 6 score.

Adult Education Begins

Adult education classes will be held for eight weeks this fall, beginning Oct. 11 and 12. Classes in a variety of subjects will meet Tuesdays and Wednesdays at 7 p.m.

Freshmen Win, 12-0

Stow freshman football team outplayed Twinsburg's freshmen Monday, Sept. 19, with a score of 12-0. Bob Martin and Jim Bowen scored the touchdown points. It was the first game played under Coach Jim Nottice.

TOO LATE! Stow brings down Larry Niskonen, Norton HB (dark #28) in the end zone in Friday night game's fourth quarter.

Niskonen was running the ball for an extra point after a TD at the north end of the field.
