MINISTER'S COLUMN

In a very old book it is written, "There is a time to every purpose under the heavens. A time to be born, a time to die, a time to plant and a time to gather, a time to weep and a time to laugh."

Pursuant to the wisdom of the old Book let us consider. We have passed the customary vacation season, picnics, summer outings and play days are at an end. Come, now it is time to be diligent, a time to be serious, a time for work, a time to advance the program of the Community Church at Stow.

I am truly proud of our church membership. The church at Stow has great possibilities, you are a worthy folk, a deserving people, you are worthy of success, your Church must live and conquer.

Now, sir, the time is at hand, let us go forward. Every one of you that will answer, "yes" and approve this article, then mark, you treat seriously the activities I now suggest. First, let us spiritually farm this Stow area for the Church and the Bible School, a systematic canvass, to know the families on your street and if they attend Church or not. Second, two alert members of the women's class to be a committee to quietly report and be a bureau for providing anything needful for the distressed within a mile of the Church, such as shoes, clothes, food, etc. A similar program for the men's class, two men to report to the brotherhood anything we can do for families distressed.

Twenty new members for the Community Church by Thanksgiving Day, twenty more members by Easter Sunday, organization of a mid-week Bible study and prayer meeting, a worth-while assembling of ourselves between Sundays. A larger per cent of the Sunday School scholars to attend the Divine Service, a crusade among the young to stick by the Church, teachers, please urge.

A monthly meeting of every officer of the Church, that the official board may function monthly, to make an expression of the advisability of a Sunday night service, a revival in your own soul, a renewed interest with a bright, cheerful outlook for the Church at Stow. A solemn resolve to read the Bible every day and spend two quiet minutes, anywhere, anytime during the day in quiet devotion for the enrichment of your own soul and the favor of the Almighty with the Church.

GEO. M. HULME, Minister

On Sept. 10th, Mrs. W. G. Foster, Kent road, will open a kindergarten for children ages four to six years. It will be held from 9 until 11:30 a.m., five days per week at the Stow Church of Christ.

“He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love Mercy, and to walk humbly with thy God?”—Micah 6:8. Golden Text for Sept. 2nd.

C. H. Monteith and family attended a Homecoming celebration last weekend at Hannibal, Monroe county, Ohio (the place of his birth). People from as far away as California were there. He reports teaching the Ladies' class on Sunday at the Methodist church and, considering everything, had a most enjoyable time.

We notice that the firemen have started construction of a building in the far corner of the Stow football field—presumably for the reproduction of the grand final spectacle the evening of September 14th. The Ladies' Auxiliary to the Fire Dept. plan on that day to serve two meals to each of the visitors, of whom some one or two thousand are expected. We wonder how they will do it.
