MINISTER'S COLUMN

This little paper fills a need, it renders a service, by many it is appreciated. It is sponsored by Mr. Stockman. Our kind and earnest brother contributes liberally of his time, energy and means that his church and neighbors may enjoy and profit by this weekly bulletin. In this effort our Mr. Stockman gives a full share of labor and devotion to the cause that lies dear to his heart. No one pays him, few thank him, the effort is generally received as commonplace.

Do you appreciate this paper? Come then to the church and say so, just pay us a visit, give a word of encouragement. Come over and express your goodwill. We are not asking for your financial support, but we do ask, where do you keep your heart. Say it, my friend, with your presence. Come over and visit our camp.

This front page article has one object—a message. The space I occupy is worth several dollars. My message is to you.

Do you live each day as though that was the last and only day on earth? No man qualifies for life as fully as he who prepares for death and lives in daily expectation of the exchange of worlds.

This world with its myriads of human creatures is wrong end to. You fuss and fret about material things, you dodge the church because you have no work, fret because you are penniless, you libel God and damn man because of general dissatisfaction. Quit it. Grow a soul, cultivate the spiritual man, and God Almighty will be your partner in all that is needful. Try it out my brother and know for yourself. I am positive I am right. I have proven it so again and again. Divine laws operate to safe-guard, to nourish and bless you just as certain as the railroad operates to carry passengers and freight. Quit playing hide and seek with God, touch His laws and live. It is you and you and you that is wrong, not the world and not God.

GEO. M. HULME, Minister

THIRD, a song service following the devotionals. Old well-known gospel hymns will be sung. Mr. Zink has promised to lead this part of the meeting.

Make this Sunday evening service a success by attending. This means YOU.

CROWN HILL ORGAN RECITAL
The Ladies’ guild are sponsoring a trip to Crown Hill Sunday. If you have no transportation meet at the church, 3:15 P. M. and transportation will be provided. Make it a point to be on time. This will give the folks at the cemetery time to complete their program so all can come back for the get together service at the church. Men please note: This trip is for everybody. Plan to help the ladies by bringing your car and at least three other adults. Some one told us a car counted 5c and four adults therein a dollar—total $1.50. This is an easy way to help the ladies make some money.

ANNOUNCEMENT TO BIBLE SCHOOL MEMBERS
The Community Church News wishes to announce a contest. During the past two or three weeks and continuing each week for the next four or five issues there has been and will be Bible verses or texts. People should think more especially about good things. Accordingly this paper will offer a prize of five dollars in trade good at any of our current advertisers.

This prize will be for the best exposition or essay, two to four hundred words in length on any one of the verses appearing in the Community Church News, is-

with us let us bring them to church.

The Young People of the church are giving a surprise party for Mr. and Mrs. Glen Sengpiel this Friday night at the home of Mr. and Mrs. Judy, 71 North Forge street Akron. Mrs. Sengpiel, you know, is the minister's daughter who recently got married. Hope they don't see this before Friday night.

Last Sunday twins were born to Mr. and Mrs. Walter Fritz, Hudson road. Both are boys—one weighed six and one half pounds, the other seven pounds at birth. Mr. Fritz says he expects to make football players out of them for the Stow high school team.

And while speaking of babies Mr. and Mrs. Derrick, 161 East Arndale road, are the proud parents of a new baby boy, born two weeks ago last Sunday.

Mr. and Mrs. Lowell Solberger, Ritchie road, have a new baby boy, born a week ago last Sunday.

Also Mr. and Mrs. C. Kerney, 215 West Arndale road, have a

baby girl born a week ago last Sunday.

And very recently Mr. and Mrs. Wm. Starner, Ritchie road, acquired a new baby girl. This now makes six boys and six girls in their family.

The very latest arrival that we know of is a new baby girl last Monday at the home of Mr. and Mrs. L. F. Bratton, 173 Uniondale. Mr. Bratton we hear is very proud of his new daughter.

While gathering some of the aforementioned news about babies the conversation turned to children. We were informed that by actual count recently 45 children got on the school bus at Arndale road, the bus already being filled with a load from Ritchie road. Another stop is sometimes made at Maple road where five or six others get on. Counting the school children living on the above mentioned roads, it was found that some 85 or 90 depend on the one bus for transportation to school. The seating capacity is less than half the above number.

ably this same condition is prevalent in the rest of Stow township and presumably the school board will tell you it is the lack of sufficient tax money coming in to properly support the schools that causes this deplorable condition. Moral: Pay your taxes.

The Scout boys, some 33 of them, were guests of honor at a dinner last Tuesday evening held at the Fire Department house. "Pop" Lantz was the chef. This dinner was for their work and assistance on Firemen's Field Day.

Corn roasts were in order last week for the River road folks. One was held at Dorseys, another Saturday night, September 22nd at the Earl Gowan home in Stow. It is related that at this last mentioned party Mrs. C. V. Cross received a sound spanking in honor of her birthday.

Desirous of seeing those West Virginia hills for himself, Claude McColgan journeyed there with Jack Mosley last week. Claude said the hills in West Virginia
were not nearly as high as he had expected.

Mrs. William Hammliton entertained the American Legion ladies auxiliary Wednesday with a weiner roast at her home.

James Cross is building a new higher powered wireless phone transmitter.

It is rumored that C. B. Mincks, Hudson Road, is about due to take another fishing trip.

Last Tuesday night somewhere around twenty Stow firemen went over to Lakemore for the purpose of organizing the Summit County Firemen's association.

Eddie Parsons, the fellow with the hair hanging in his eyes, the fore-part of the week spread a carload of slag over the Shell Gas Station. How does it look?

Last Saturday night at the City hospital Mr. John Marhofer was operated on for appendicitis.

Mrs. Frank Danforth arrived last Saturday night for a two-weeks visit with her mother, Mrs. Florence Lodge of Kent.

Mr. and Mrs. Forrest Hawk, 172 Maple Road, are now spending their vacation on a fishing trip in Michigan.

Forrest Hawk, Jr., is teaching music in East High school, Cuyahoga Falls.

Mrs. Ada Ferris left the Paces last Monday. She expected possibly to visit her son in Akron for a time, later leaving for Florida. We wish her a pleasant journey and know she will enjoy the Florida climate this winter. She will be missed in church on Sunday mornings.

HAVE YOU EARNED TOMORROW?

Is anyone happier because you passed his way? Does anyone remember that you spoke to him today? This day is almost o'er and its toiling time is thru; is there anyone to offer a kindly word to you?

Did you give a friendly greeting to the friend who came along, or a churlish sort of "Howdy" and then vanish in the throng? Were you selfish, pure and simple as you rushed along your way, or is someone grateful for a deed you did today?

Can you say tonight, in parting with the day, that's slipping fast, that you helped a single brother of the many whom you passed? Is a single heart rejoicing over what you did or said? Does a man whose hopes were fading, now with courage look ahead?

Did you waste the day or lose it, was it well or poorly spent? Did you leave a trail of kindness, or a scar of discontent?

As you close your eyes in slumber, do you think that God will say, "You have earned one more tomorrow, by the deeds you did today?"
