MINISTER'S COLUMN

Are you strong for your church? Are you sure you are right? Then let us advance. Let us not be ashamed to speak boldly and work courageously for the cause of Christ. No apology, my friend, for a Community church. That is as it should be. Is it not a fact that pride of denomination has prevailed over concern for community good? Can there be a sweeter, nobler spirit than the merge and the dissolving of all Christian differences and a declaration to the world, we are one? Your immortal Lincoln declared a house divided in itself cannot stand. And did not Lincoln borrow that truth from the Book? Think again, did not Christ come into this world to save the world, then why is it not saved after two thousand years of history? Is it not, idle talk, my brother, to tackle the salvation of a sinful world with a divided church, a task that is not only possible by united forces? Think of a divided institution facing an infidel world. Think of the legend of scattered denominations struggling hard to promote their own doctrine, or a pet theory, and within sound of their church-bell is sin, vice, crime vicious and relentless. Christianity was not founded upon theology or philosophy or doctrine. Nothing at all but the fact of Christ. In Him we must unite, in Him we shall find power, wisdom, peace and plenty, and we shall walk again on the old trail, which is none other than the way, the way spoken of by Isaiah. I quote you scripture, "Holy Father keep through thine own name those whom thou hast given me, that they may be one as we are." And what a prayer it is. I read again, "Upon this rock I will build my Church." Christ, that is it. And there shall be one flock and one shepherd. Very conclusive scripture for a oneness in Christ.

Come neighbors, friends, strangers and truth seekers. Come let us unite in a Community Bethel, where Christ is exalted, where community spirit and interest abound.

GEO. M. HULME, Minister

A. S. PHELPS

The trustees of the Church met last Thursday, September 27th at the home of Mrs. Dunn. Among other things passed upon it was decided to appoint Mr. A. S. Phelps to be personally responsible for all repair or replacement work at the church or immense.

This means that if anything needs fixing or even if you wish to fix something yourself tell Mr. Phelps.

CHURCH CALENDAR

BIBLE SCHOOL - - - - - - - Sunday, 9:30 A. M.
MORNING WORSHIP - COMMUNION - Sunday, 10:45 A. M.
ORCHESTRA PRACTICE - - - Wednesday 7:10 P. M.
CHOIR PRACTICE - - - - Wednesday 3:30 P. M.
The reasons for this appointment are two—First, to have some one personally responsible for the church property. Second, Economy. For any repair job, Mr. Phelps will secure volunteer workers whenever possible. Let him know if you can paint, do carpenter work, cement work, etc., etc. Then possibly we can find a good Samaritan who will supply materials to work with. In fact all we would need to build a new church would be a sufficient variety of enthusiastic people well organized to supply labor and materials.

THIS PAPER
Rev. Hulme told you last week about the “kind and earnest brother” who contributed his time and energy that this paper might be placed in your hands—to read—or perchance to destroy without reading. Now Rev. Hulme did not tell you all. There are several “brothers” who make this paper possible. First we have the Falls News who do the linotype work. It is sufficient to say that they are not getting rich on our business. Next there is Mr. Howe. When there are a number of new ads to set up we have known him to work two days and only charge about 50c a day for his time. Even at that low figure we cannot always pay him—promptly. Then last but by no means the least im-
important are those who deliver the paper. We have told you they are here before so will not name them this time—only to say that editing and printing a paper is very much like getting a meal—it may be a good one—it may be a poor one—while delivering the news is comparable to washing the dishes—No one likes to do it but still it must be done.
