MINISTER’S COLUMN

People one meets. We are often attracted by a beautiful form, a pretty face. Folks rave and never cease rehearsing the charms of attractive people. That is well and perhaps as it should be, however, the most precious, the most charming of the human race are frequently found only by a long studied look, that reaches beyond the outer graces. It's soul and character and the mighty urge within that makes a human being wonderful to contact.

Lincoln had a very homely face and ungainly form but he will ever live among the great. Was it not written of the matchless prophet, "That there is no beauty that we should desire Him?" Let us not forget the seven sons of Jesse were rejected and the freckled face sheep-tender of the field was anointed king. Neither Samuel, the prophet, Jesse, the father, nor the elders could understand the wisdom of this choice. Man looked on the outer appearance, the sovereign choice of the Diety was within. Much truth in the old saying that beauty is only skin deep. Man falls for the pretty girl, she is charming, indeed, in many cases a few months and the divorce courts record the story of unmating and bitter disappointment.

How very homely is he or she, we exclaim. However, acquaintance reveals a soul, a glittering, priceless gem. We marvel, for lack of the scar, or deformity, or unattractive face we may find revealed a jewel, a life that unfolds in matchless beauty. Some plain, unattractive woman, as the world reckons are God's own, angels in disguise. To know them is to experience a moral and spiritual uplift. It is refreshing amid life's many deceptions and vicissitudes to meet and know the soul and not the face.

GEO. M. HULME, Minister

Another thing—Let us surprise the minister by ALL of us staying for church.

COMMUNION SUNDAY is the first Sunday in each month. That is this Sunday. If you wish to be baptized or expect to unite with the church you may do so at this service. Note: Those who wish to be baptized by immersion should make special arrangements with Rev. Hulme.

PENNY collection on Sunday. Bring a bag full. No! TWO bags full and then there should be enough to pay our minister's salary for one year—only we will use the money as a payment on an old debt and let the Lord provide other ways of paying the minister.

We must BEG YOUR PARDON for many things but just now we maintain that the Community church Bible Schhol Orchestra is on the "up and up." Providence willing and if nothing happens to change our minds again you may expect the privilege of attending our Sunday night concert, the second Sunday evening in June, i.e. June 9th. The evenings program will be under the direction of Mr. A. J. Kurinsky. More details about this next week.

To attend the church night services the last Sunday in June our minister, Rev. Hulme and the congregation extend an invitation to the DARROW STREET GRANGE, NO. 151. This organization is known to most folks as the Darrowville Grange. We hope they will honor us with their presence. We will provide a special program of interest that night.

Mr. Will Lodge has some young coots.

When was it that Al Stein let go?

Mr. and Mrs. Harry Olsen have a new Chevy.

When will we have a Bible School Picnic?

Zirkles now live in the fourth house on the west side of Franklin Road.

REMEMBER! Sunday is Rally Day.

Attend Bible School this Sunday. Let us have a 100% attendance.

Mrs. A. F. Stein has been absent from church for several Sundays. The reason—she had a very bad cold.

Miss Martha Lindsay, Fish Creek Road, has been ill with a cold the past week.

Charles Trommer expects to spend this summer's vacation in Pittsburgh.

Last Friday evening at the home of Mrs. L. G. Phelps, Ritchie Road, thirty-seven ladies from the Ladies Bible Class attended a handkerchief shower in honor of Mrs. J. D. Ham, who is leaving shortly for her home in Texas.

John Stahl has a kind heart. He felt sorry for the editor of this sheet and sprayed some one hundred forty-five fruit trees for him last Saturday afternoon. Even furnished the spray, most of the material, and labor—free of charge.

Summer must be here. Trommer makes a gallon of ice cream each Sunday afternoon—Ahem!—We would too if we had a cow and lots of milk.

Mr. and Mrs. A. F. Stein, Mrs. Stein's health permitting, expect to attend a family reunion in Coshocton County this week end in honor of Mrs. Stein's mother.
