MINISTER'S COLUMN
ROOM FOR ONLY
ONE GOD

There is room in this world for only one God. If you have more Gods than one you will find yourself in great trouble. The old Book counsels against having two masters, it states he will hate the one and love the other, or, he will hold to the one and despise the other.

The Hebrew people have not yet accepted Christ as their Saviour, the fear that beclouds their vision is the fact of one God. They were punished long ago for wandering into idolatry, now fear hides the souls most longed for reality, a personal Saviour, a living King. No persuasion, by either Jew or Gentile, can remove this deep-seated conviction from the Hebrew mind.

There is room in this world for only one God. The Mohammedans call their God Allah. There God is fierce and powerful. His business is to conquer and subdue, to whip into subjection all who differ, all who refuse to bow the knee to Mohammed. All the cruel inquisitions of the ages have been because of contending forces, one group annihilating the other as each braced themselves for the struggle and fought and perished for their God.

Too many gods no good. Make heap of trouble.

There is room in this world for only one God. The idea of God is necessary, necessary for it is like a point of the compass, a fixed star, something substantial to live by or reason from. Without the thought of God we are coasting and going nowhere, only to the grave. Without the thought of God you cannot explain the thing called life, for, pray, sir, what is it all about unless there be a great and glorious purpose. The fact of God defines and sets at rest the most vexing question of life itself.

There is room in the human heart for only one God. Don’t say you don’t believe there is God, for if you don’t believe in my God, then, sir, you have another God and him you serve. Your God may be Venus, or Jupiter, or Labor, or Luxiness, or Money, or Pleasure.

The Greeks or Romans never outdid the Americans of today in the worship of false Gods and in the pursuit of idolatry. That thing in the human heart that grips and holds relentlessly, like liquor, or hate, or gossip, or sin; that thing that binds you, that chokes your noblest aspirations, that curbs and paralyzes your better judgment, that, sir, may be your God.

Why not believe that God will flow through the human mind like breeze through the trees? Why not believe that God will dwell in the human heart like a miracle dwells in the ground to send forth life in bud and fruit?

No mind can define, or explain, or localize God, I’ll tell you why. Because He is divine. To love Him, serve Him, own Him, is to explain Him.

But mark well, my friend, “There is room in the human heart for only one God.” Geo. M. Hulme.

The subject of our lesson for next Sunday is “Jesus Meeting Human Needs?” What are your needs? Have you ever asked yourself that question?

Luke (12:29-31) records Jesus' answer to this question. He said, “And seek ye not what ye shall eat, or what ye shall drink, neither be ye of doubtful mind. For all these things do the nations of the world seek after; and your Father knoweth that ye have need of these things. But rather seek ye the kingdom of God and all these things shall be added unto you.”

Matthew (6:7-8) records Jesus' instructions on prayer as follows, “But when ye pray, use not vain repetition, as the heathen do; for they think that they shall be heard for their much speaking. Be not ye therefore like unto them; for your Father knoweth what things ye have need of before ye ask him.”

When Mary sat at the feet of Jesus trying to comprehend the Kingdom of God, Martha developed a case of nerves as she prepared the meal and finally asked Jesus to bid Mary to help her. His answer is recorded by Luke (11:41-42) as follows, “Martha, Martha, thou are careful and troubled about many things; but one thing is needed; and Mary has chosen that good part which shall not be taken away from her.”

Are you troubled about many things? Are they proper things? Do they merit as much consideration as you give them? Do you know what Jesus taught? He is the greatest teacher. He can put a smile on your face and a song in your heart. You can face death without fear if you make the proper choice.

We invite you to attend our Men's class each Sunday morning at 9:30.

IMPORTANT!
CONGREGATIONAL MEETING
A special meeting of the Community Church at Stow has been
COMMUNITY CHURCH MEMBERS

Your attention is called to the very important Church Business Meeting to be held following the services Sunday Morning. See Notice.

called. It will take place after the morning services this coming Sunday, June 20th.

The purpose of the meeting will be to decide regarding a refinancing plan offered by the bank. This plan, presented recently by the bank's representatives before our Board of Trustees would include all church indebtedness on church building and parsonage, but not the second mortgage on the latter. If accepted it would mean a very considerable reduction of our total indebtedness. The question for us to decide is, shall we accept the plan, reject it, or propose another plan of settlement.

If you are a member or friend of Stow Community Church YOU should be present at this meeting, for, yours (at least in part) is the responsibility of meeting this obligation.

NOTICE

The Association sponsoring Stow band has decided to hold rehearsals through the summer months. The first rehearsal will be on Tuesday evening, June 30th at 6:30, at the school house with Mr. Gray directing.

We have the cooperation of Mr. Kimpton and he expects to be present at each rehearsal.

These summer rehearsals are not confined to children from the school. Anyone who can play an instrument suitable for the band is welcome. A prize is to be given to each boy or girl, who can comply with rules made by the Association regarding attendance, attention, etc. The attendance at our first rehearsal will determine whether the interest is sufficient to warrant their continuation.
