NOW IS THE TIME

Solomon is credited with saying that there is a time to every purpose under heaven. A time to be born and a time to die, a time to plant and a time to reap, a time to weep and a time to laugh. So, my good brethren, let us be found diligent to our task as the season presents it for action. There is much to be taken up after a summer's vacation, the nominal church member usually warms up gradually.

The fall months unfold for us a Home Coming, this is an annual affair, an enjoyable one, it seems to grow in favor as the years pass by. Probably in the issue following this one you will be informed of the date and the program for our annual Home Coming. Prepare for it, plan to come, boost. Let it be a high day, a day of memories, of resolves, of happy associations.

In the afternoon, at the hour of three o'clock, Sunday, September 18th, a chorus from the Akron Baptist Temple will sing for us. The service will be in the Tabernacle. The people of Stow should appreciate this treat and turn out en-masse. There will probably be seventy-five singers on the platform. Everyone is invited. Come, you are welcome.

Again, our Fall Rally of the Bible School is at hand. This growing school is in a healthy condition. Mr. Biggs, your superintendent, has put much thought and energy in advancing this school. We all appreciate his efforts, so now say it with a definite effort. One and all be in your place, bring someone with you, make this Rally the biggest and best yet.

And, now, my friends, let not these efforts be like so many games of marbles, trifling and soon forgotten. In Stow we are supporting a Community Church. In this great residential area, between Akron and Kent, be proud of your task, thank God for the privilege of being a worker in this vineyard, prove worthy of your calling. Help make the Community Church in Stow a place for which human hearts will thank you on earth and human souls will exalt you in heaven.

Remember, church folk, this is a disturbed world, many need the comfort and the poise the church should give. Sin is a giant and never bigger or bolder than today. The age long struggle between good and evil spreads its battle line in Stow, even as it does across the sea. Sorrow, losses and bitter disappointments are the portion for the people in Stow as elsewhere.

But the church, make it a finger-board pointing the way to God, make it a solace for whosoever will.

GEO. M. HULME

INCORPORATION

We reprint the following item taken from the Akron Beacon Journal, September 9.

"The Stow Civic association committee, headed by Chris Weaver, has filed a petition with the county commissioners for the incorporation of the part of Stow extending from the east line of Silver Lake village, two miles east to Hile rd. and from the Munroe Falls line on the south to Ritchie rd. on the north.

This move follows closely the filing of a petition for the incorporation of the entire township filed Tuesday of this week with the township trustees, to be voted on at the November election.

The petition to the county commissioners will be up for the first hearing Nov. 16 at 1 o'clock. The section of Stow included in the petition of the civic association may be incorporated by the commissioners even though the electors in the township vote against such action at the November election, it was stated."

The Southern Singers, a chorus of seventy-five voices from the Akron Baptist Tabernacle, will sing this coming Sunday afternoon, Sept. 18, 3:00 P. M. at Stow Community Church Tabernacle. Do not fail to come out and hear them.

Mr. Cecil Rearick sang again for us at the last Sunday morning church service. As the minister remarked "All of Stow" should have been there to hear and to be inspired. A good voice, a sacred and holy song, lifts one closer to heaven whenever we stop to listen.

Mona North with children were visiting friends and relations in West Virginia last week. The Cross's and the Moseleys of River Road, also "grandad" Thomas were in the same state at the same time. West Virginia must be a good state. So many good people come from that locality.

Rev. Gregory returned last Sunday to the Stow Church of Christ after a three weeks' vacation spent in building a garage, officiating at three funerals, one each week and attending church once each respective Sunday at the Cleveland Fairmount Boulevard Baptist Church, the Trinity Methodist Church at Marietta, and the First Presbyterian Church, Akron.

Donald Moore, son of Mr. and Mrs. A. B. Moore, of Munroe Falls, a graduate of Stow High School last year, from the time he was a boy ten years of age has worked and saved his money, now over twelve hundred dollars. With this backing, a three hundred and fifty dollar scholarship, and the promise of help from his father after the first year, Donald, with his mother and Mrs. C. V. Shakespeare left last Monday at 7:00 A. M. for Boston where he will take the entrance examinations for admission to Massachusetts Institute of Technology. If successful in passing the examinations he will remain. His mother and Mrs. Shakespeare will return at the end of a week in the family car. Whether Donald goes to this school or some other he will probably make a success in life for it is not every boy of his age who can work and save twelve hundred dollars over a period of six years.

CHOIR

The choir has been revived. From now on (we hope) the choir will practice regularly on Thursday evening, 7:30 P. M. at the church. And they will sing each Sunday morning at church, (we hope). While the young folks of the church are sponsoring the choir, they want it known that anybody from ten to one hundred will be welcome, in fact you are cordially invited to come out and sing Thursday evenings and Sunday morning.
