A WINNER OF SOULS

By request of men in our Bible Class I write this page on methods of contacting men.

A membership contest is now in progress between the two great adult classes of the church, the Men's Brotherhood and the Ladies' Bible Class.

Andrew findeth his own brother Simon, and he brought him to Jesus, and Philip findeth Nathaniel and said, we have found him of whom Moses and the prophets did write. But Nathaniel was not easily won, he talked back to Philip, he reasoned that no good could come from Nazareth, the headquarters of the Great Teacher. Mark, the unanswerable reply of the worker, COME AND SEE. Read John, Chapter one.

And Jesus appointed seventy and sent them out two by two into every city and place where he himself would come. See Luke Chapter 10. No better plans than these have ever been devised in the past two thousand years of the church.

Today numerous methods have been adopted by working groups in various churches. Assemblies of folk interested in advancing class or church have been called together, they have made a survey of the area to be covered, forces have been divided and designated or labeled the Red and Blue, a supper or banquet given by the losing team to the winners has been the order or plan adopted.

The Evangelistic program, where an outsider comes in, organizes the parties interested and sets all to work, conducts evening services, inspires a chorus, puts pep and go into dead church members, is a plan that has been over done and fallen into some disfavor.

Space forbids the mention of many tryouts or methods of reaching men. There is only one right and Heaven blessed way. And Jesus said, "Follow me and I will make you fishers of men." And they remembered that it was written, the zeal of thine house hath eaten me up. The one way, the right way, the way that obtains the greatest and most lasting success, is be yourself sold, committed, on fire with the life and program of Jesus Christ, in that spirit go forth and meet the troubled world.

Don't always expect easy picking. Rebuffs, scoffs, hypocrisy you will meet, just as your Lord met those same demons long ago. Your ardor may cool, discouragement is the potion of many. Go on, the King bids you go. The reward is not necessarily to the successful, it is to the faithful. Duty done brings its own reward.

If you would know the joy of the christian life go labor in His vineyard, the vineyard of human

It seems there is a carnival in Stow sponsored by the Fire Department. While there has been some difference of opinion regarding the desirability of carnivals either in a town or a church, in this case, at least one desirable thing has been accomplished, viz., the removal of the weeds and brush from the lots which they occupy. In fact, there are other lots in Stow that we think of that it might be a good thing for a carnival to occupy. Weeds you know. Weeds!
