THE RALLY

PLACE—Community Church in Stow.
TIME—Sunday A. M. September 8th.

This Rally has been O. K.ed by the church in business session.
It has been agreed to by the Sunday school. So be it, let us then have a RALLY.

The deeper meaning of Rally is that we have been slack or slipped a bit, therefore, we must make a come back. Vacations are over, stern duty calls us to our tasks, therefore, we come cheerfully, willing and eager to pull, push, or do whatever our hands find to do to advance the cause dear to our hearts.

If we were a regiment of soldiers and our commanding officer called above the strife and if the only audible word was RALLY we would all understand. Patriotism would touch the soul, the fire of a renewed effort would lift us as one man against the foe, we would hold the line and save the day.

RALLY, that is it. Sick, and down we go, looks bad, our needs are many, the suddenness of our misfortune is a shock, what’s the use, we cry. We can’t afford to be sick, life is hard for the well and strong, but we are down, helpless, weak, sick. The law of sickness and death was at work in our mortal body and also a higher law of prayer, and skill, and life, met, challenged and overcame the law of disease, and the good doctor consults his chart and announces, My patient has RALLIED. Be gone aches, pains, weakness, handicaps, sick-bed, hospitals, doctor, nurse, and all, I have come by the way called RALLY.

A Rally is when the good townsfolk, or a delegation that is of one mind, come together to put something across. So they rally, perhaps they bring out the band, they make their cause known, they give evidence of strength, courage, and zeal, they have plenty of pep, they display their wares, they are all there with bells, for their’s is a RALLY.

Mark well, my people, it costs to have a RALLY, costs in energy, time, thought, individual effort and cooperation. Say not unto yourself that you will drive over to The Community Church to see the Rally. Rather, make personal calls, use the telephone, pick up a half dozen on the way, get in the spirit, feel about it as though the success all depends on you. Put that class on the map, have a holy zeal, burn with a great urge, for times such as these demand it. Come, one, come all, let us have a RALLY.

Make this day a day of gladness, wear a smile, push the clouds away, have victory in your soul, draw nigh to God, join the choir, the class, the Church, sit in the front seat, sing, be at peace with everyone, pray for a baptism of the Holy Spirit, for this is RALLY DAY.

You who live in or about Stow, who have had your feet lifted out of the pit and out of the miry clay, who have had your feet put on a rock and your goings established, you come and lift up holy hands at the RALLY. Tell
the people by your happy face, your presence, and the glorious urge you feel, that you are not ashamed of the Gospel, that power that has made you whole.

Now, my Church, when the day is done see to it that you will not be ashamed of the RALLY, September 8th, at The Community Church in Stow.

LADIES BIBLE CLASS NOTICE TO BUDDIES

SERMON

Rev. Hulme in his sermon last Sunday morning propounded the following for our consideration:

1. Where is your God?

2. How do you contact your God?

3. What procedure do you go through to find Him?

In answering these questions different folks say different things. For example, to find God they say we must:

1. Build an altar—find God there.

2. Be a Catholic. Only a Catholic can find God.

3. Only one way to find God and that is "Pray through."

4. Only one way to find God and that is "live the surrendered life."

5. Have a great revival of religion.

6. Find God through faith. Exercise your faith.

7. Everyone who sees Jesus—sees God.

After listing these various ways of finding God Rev. Hulme pointed out that we find God when we make the effort to be like Him.

"Give up people whose countenance has been illuminated by the presence of God." (From last Sunday's Sermon.)

Birthdays celebrated at Bible school last Sunday were those of Miss Clara Hardy, Mrs. Ralph Nichols, Mrs. Hank Harruff, Mrs. Bertha Denning, Mrs. Edward Sanner (of Washington, D. C.) and Levi Moyer. Mr. Moyer a member of our church, was unable to be present but sent his money in with Rev. Hulme. He was seventy-nine years of age August fifteenth.

Mrs. Cumpson's class of girls won the banner again last Sunday.

Friends of Mrs. Bertha Denning found her at her new address last Saturday evening when they came to help her celebrate her birthday. A delicious picnic lunch with a beautiful birthday cake by Mrs. Gillam was served. Also, an event to be long remembered was a kitchen shower with everything from dish cloths to rolling pin, and from chore boy to scrub bucket. Mrs. Denning wishes it to be known that all gifts are deeply appreciated both by herself and her daughter, who will probably use them most. The loving thoughts that prompted these kindnesses will be remembered long after the "tools of the trade" are worn out. Also celebrated at this same party was the birthday of Clara Gay Hardy who received numerous gifts and a cake baked by Clara and Jerry Gillam. (Ed. Note—the Gilliams must be a family of cake bakers.)
