HOME COMING

TIME—October 13th.
PLACE — THE COMMUNITY CHURCH IN STOW.

This is an annual treat, a privilege, a joyous time, something to look forward to. Come with us, we will do you good and our hearts will be glad to meet one another again.

There is no instinct so strong as the homing instinct. Fish have been known to travel fifteen hundred miles, past enemies and dangers of the sea, to reach their home base to spawn their eggs and hatch their offsprings. Animals have their lairs, fowls their roost, and man his home.

So it is, laws unchangeable have made it so. So be it, there is no place like home. So, the homecoming in Stow is for all who have lived in Stow and who have gone out from that center to other fields of labor. Come back for the day, come meet your friends and make it a glad day at the church.

If it be impossible for you to return for the day then please send a letter telling of your whereabouts, your health, your regrets, it will be read by the secretary of the church. Address your letter to Wm. Lodge, Cuyahoga Falls, Ohio, R. D. 1.

Times without number the human race have been called home. sickness, tragedy, death, so is is the call to come home, or, perhaps, it is Thanksgiving, Christmas, or the joy of marriage that pulls the heart-strings homeward. However, October 13th in Stow, Ohio it's the Community Church that sends out the call, Come home, come, spend a day with the Church folk, they look forward with joy and much gladness to seeing you.

A program has been arranged, it will be an all day affair, your entertainment will be provided, and it will be just too bad if you miss the HOME COMING. This day the choir, approximately forty-five in number, will appear in new robes. The choir, under the leadership of Cecil Rearick, has done great credit to themselves, and they render a fine service to the church.

There is a possibility that the church mortgage will be burned and reduced to ashes at this service. All former ministers are urged to park in Stow for the day, I have in mind Rev. Mrs. Dague, Rev. Mr. Roberts and Rev. Mr. Baumgardner. Let these good servants make ready, for the Community Church expects you and wants to hear you at the HOME COMING, October 13th.

Home coming, yes, it is a home coming, but some cannot come. No, they have preceded us to the far away shore to the Home of the Soul. Perhaps, their spirits may be near, who knows? Many dear folk have traveled from the land of Stow out across the boundless deep, and it may be as the years go by and the number increases that a great cloud of invisible witnesses will gather about the Home Coming and hallow the Church in Stow.

LADIES BIBLE CLASS NOTICE

Ladies—don't forget the Buddy party at the church Tuesday, 6:30 P. M., September 24th. Bring a hot dish. (Editor's note: And leave a hot dish at home for your husband too.)

WORLD COMMUNION SUNDAY

The first Sunday in October is World Communion Sunday when it is expected that an attempt will be made by every church throughout the world to have every member partake of the Lord's Supper. Let all members of Community Church keep this date in mind and be present at church on that Sunday.

CHURCH OF CHRIST FELLOWSHIP DINNER

An old fashioned Fellowship Supper and family night for all members and adherents of the Stow Church of Christ will be held in the church parlors Wednesday evening, October 2nd. A guest speaker will be present.

WEDDING

An open church wedding of interest to people of Stow will be that of Miss Claire Williamson, of Kent, daughter of Mr. and Mrs. Homer Williamson to Mr. Hugh Briar, former editor of the Valley Voice. The ceremony will take place in the Stow Church of Christ Sunday evening, September 29th at six o'clock. Rev. Gregory will officiate.

What every man owes!

ROOSEVELT said "Every man owes part of his time to the profession to which he belongs." Our entire effort is to raise by our example the standards of our vocation.
TEXT—SERMON

"As we have OPPORTUNITY, let us do good unto all men, especially unto them who are of the household of faith." Gal. 6:10.

From this text last Sunday morning Rev. Hulme chose the word "OPPORTUNITY."

We were advised to watch for our opportunity since men of wisdom have stated that exactly the same opportunity never comes our way twice. And, in Heaven it is quite probably that the recording angel enters on the book of life either a merit mark or a demerit mark according to the use we make of each opportunity.

In a secular sense an example was given how the United States made good use of her opportunities in the various territorial acquisitions—such as the Louisiana purchase in 1803, Florida in 1819, Texas in 1845-50, Oregon in 1846, Mexican territory in 1853 and Alaska in 1867.

Quoting scripture to the effect that "the children of this world in their generations are wiser than the children of light" (Luke 16:8), we, as children of Light were advised to "work while it is yet light—for the night cometh."

Among scriptural examples of opportunity seized, the first cited was that of Jesus at the well in Samaria, who, while his disciples had gone to the village for food, held an important conversation with a woman there to draw water—she, in turn took advantage of her opportunity, hastened home to bring back her friends...

...and neighbors that they too might
learn about the "living water."

At another time Jesus used the
opportunity to be of service to
his disciples when he, on the lake
shore, had the fish broiling over
the fire as they returned weary
and tired after a night of fishing.

Another opportunity, or rather
a choice of opportunities came to
Paul and Silas when they were
liberated from their chain and
the doors of their prison were
thrown open by an earthquake at
midnight. The opportunity to es-
cape they did not take, but rather
they chose the opportunity to
point out the way of salvation to
the Philippian jailer and his fam-
ily.

Of ourselves the question might
be asked: Do we always pick up
every opportunity? Do we?
The advice is: Opportunity is of
God. Seize it! Make much of it!

Now as the Jews of old were
punished they did not make use
of their opportunities to do God's
will, and as no doubt the great
so-called Christian nations of
Europe today are suffering be-
because of a similar failure, so we

TWO GROUPS AT COMMUNITY CENTER

Arrangements have been made to separate the adult and childrens' groups at the Community Center on Friday nights.

For this purpose we now have two pianos, one donated by S. E. Nickerson and the other by Rudick's. And, there will be two directors. Miss Martha Lindsay introduced to our readers last week will direct the older people in folk games, etc., while Miss Betty Brunner who is a student in Physical Education at Kent State University will look after the children in their games.

The committee in charge of such matters meet this Wednesday night to plan a Hallowe'en Party. Watch for the date and further announcement.

FISH SUPPER

The Men's Class of Stow Community Church will serve a fish supper, 6:00 P. M. Thursday evening, September 26th. Tickets will be sold at the uniform price of 25 cents.
