LET US STAND

That sounds like Church, doesn't it? O. Generation of the careless, why will ye not heed the admonition to stand? That is, to stand for something worthy, to stand for the old Book, to stand for the Church, to stand for the faith of your fathers, to stand for the things that make for peace.

In the Bible here are seven hundred references that speak exclusively on standing. Following are a few lines picked at random that speak of standing—A house divided in itself cannot stand. Let him that thinketh he standeth take heed lest he fall. Behold, I stand at the door and knock. Jesus himself stood in the midst of them. And having done all to stand. So just think of six hundred ninety-five more positive statements on the subject of standing, all of them in them in the Bible.

In your Christian experience have you anything positive to stand for? Or, do you just belong to the Church and drift along with the crowd? Mark well, God's Word must feel that the subject of standing is very important for seven hundred times it is referred to.

So, what do you stand for? Christianity required many definite, clean-cut unwavering, and uncompromising decisions for Christ and the Church. Let me name three requirements levied on you if you are a Christian. They are, one-seventh of your time, one-tenth of your money, and unceasing devotion.

In the ancient Tabernacle, and later in the Temple, a parcel of the area was known as the Holy Place. In this enclosure were the golden candlesticks with seven branches, a symbol of consecrated time. Near by were the golden tables of shew bread, twelve loaves, one for each tribe, a symbol of consecrated substance, and by their side was the altar of incense, symbol of unceasing devotion.

Does this mean anything to you? Six days shalt thou labor and do all thy work, but the seventh? That is the fourth commandment, surely we owe to God, to our church, and to our bodies one-seventh of our time, one day in seven.

Anyone who does not give systematically of his substance, of his earnings, is not a Bible Christian. No one can love God, the Church, and the great principles that Christ taught the world and with-hold of his means. Love relaxes the fingers, opens the purse and gives, not grudgingly, but freely and joyously, gives because he would feel condemned and lose the blessing if he gives not.

Incense, the symbol of unceasing devotion, worship, and prayer. In Christianity there is no place for backsliders, for drones, or the indifferent. Your daily devotion is demanded, also your daily prayer, your constant search and reading of the Word.

Even as the coals were always kept hot beneath the fluid of incense, even so, your vigilance must be constant.

Church members, do you stand for these three obligations of the Christian life, or have you long since passed them up? My people, perhaps you need a new anoint-

Gathered for dinner this last Monday evening at Community Church some twenty-five Stow men organized themselves into a Stow Business Men's Association. Officers elected were E. F. Kas-tens, President; William Bridgers, Vice-President; and Kurt Aker, Secretary-Treasurer. It is the purpose of this organization to obtain as members all Stow business men. It is also their aim to cooperate in all Stow Civic affairs that affect their interests and the interests of Stow people in general.

Guest speaker of the evening was Judge Hunsicker who gave a very interesting talk regarding the Community Chest as it functions in Akron and vicinity. During the past eight months in Stow Township twenty-one families have been helped by Community Chest funds. Ninety individuals have received aid, $450.00 in direct relief has been given, fourteen Stow children were sent to the Fresh Air camp last summer, and a cash contribution of $25.00 to the Community Center was recently made. Time spent by Community Chest workers in Stow totals 400 hours to date.
WHAT DOES ARMISTICE DAY MEAN?
(Written in 1938)

When we think of Armistice Day, we turn back the pages of time to the morning of November 11, 1918. We wonder what joy must have swept over the war-torn countries of Europe. We can imagine their happiness when we think of the joy of our own people. The joy of being released from the pressure of a cruel war, which had held the world in its grip for four long years, must have been a wonderful thing to have experienced. For four years, the European countries had pitted army against army, until in 1917, the United States was drawn into its entanglements. But on November 11, 1918, the armistice was signed and the "war to end wars" was drawn to a close.

But still this war carries with it more than just the end of a hateful World War. It carries memories for many weary souls. For the war veteran who has experienced the horrors of war and felt the stinging pain of a bullet piercing his flesh, this day brings the unwelcome rush of memories of a war-ravaged country across his mind. For the old gray-haired mother who sits in her chair, the memories of a little son playing about her feet are held dear to her heart, because now he lies in a cold and lonely grave in a far-off land.

Yet, as we see what the Armistice was and the memories it holds for others, we find that for us, the coming generation, it carries a different meaning. We have only our history to tell us of the Armistice. We have no haunting recollections of war; and yet, it is we, "the hope of the world," to whom Armistice Day should be a cherished day. As we look back over the years, we behold no romance in these fruitless struggles of humanity. We see only the ruins of once beautiful cities, only the war-shattered countryside, and only sad memories for many a man and woman.

But why can’t the memories of war end there? Why must civilization continue in such debasing and destructive acts? If only our thoughts were limited to our history stories of remote and ancient days, how much happier we all

could be. Our Armistice Day would take on nobler meaning for all.

Then, what does it mean to us in this day and age? What hope does it hold for us? Armistice Day contains a greater meaning for us today than ever before. When struggle and strife beset us on every hand, it is a great achievement if we are able to retain clear, straight-thinking minds. If we turn our eyes toward peace as the goal for which we shall strive and cleanse our thoughts from war, we shall have gone a long way on our journey. We shall have attained what former peoples have struggled and fought to obtain, but as yet have failed to achieve. It has been said "AS A MAN THINKETH IN HIS HEART, SO IS HE." So it is with the nations of the world today. Their acts are merely blossoms of their thoughts and war and peace are the fruits. And so, on this Armistice Day, let our thoughts be of peace and goodwill toward our fellow-men; thus, shall the world become.

THROWING GEMS AWAY

I saw a man throw gems away
And then go forth to gather stones.
And heard him laugh and lightly say:
"These gems belong to crowns and thrones
Of those who have far higher aims
Than lie along my earthly beach,
Or who put in their earnest claims
For things beyond my mortal reach."

The gems were purposes sublime
And noble aims that all should prize,
And plans by which we each may climb
The path that in our future lies,
To heights that make us useful men,
Whatever place in life we fill,
Whether to wield the fluent pen,
Or work in busy mart or mill.

He cast aside the gems of prayer,
The gems of honesty and truth,
And seemed for nothing great to care,
Although he was a handsome youth
Who could have filled a worthwhile place
Somewhere within his earthly realm,
With beauty shining from his face,
Awaiting heaven’s diadem.

The stones he gathered in their stead
Were stones of idleness and sin,
And mental food on which he fed
That never helps a soul to win,
Nor blesses others on life’s road
Who ought to have a lifting hand.
That they may bravely bear their load
While passing through this pilgrim land.

He gathered stones of unbelief
In God and His eternal Word.
And seemed to reach for every sheaf
Against the truth of which he heard;
Also he gathered stones of lust,
Of selfishness and wrong desires,
And built on nothing we can trust,
And nothing that uplifts, inspires.

We cannot throw life’s gems away
And ever hope to wear a crown,
Or reach the heights where we shall stay
With men of worth and true renown;
For by these gems they won their fame,
And wreathed the laurels for their brow,
And left the world a noble name,
To whom, in true respect, we bow.

Walter E. Isenhour
