The Team Player

We were talking about our basketball squad, the coach and I and discussing other boys in the school who might have athletic ability. I mentioned a boy who seemed to have possibilities, but the coach replied, "He doesn't seem to have what it takes to make a team player." The remark sticks in my memory; I come back to it again and again. What is a "team player" and what does it take to make one? Surely the boy had size. He was active, strong and rather fast. In co-ordination he was not lacking. Still he sat among the spectators instead of on the bench at games. I have asked others about the matter and I get a variety of answers. One mentioned passing the ball to others and not trying to play the whole game yourself. Another stressed the willingness to give up other pleasures such as picture shows and skating in order to practice with the team. Maybe it's ability to get along with other fellows on the squad. Perhaps it's the unselfish spirit that causes one to forget himself in the desire to work for the good of the team. Could it be that all these characteristics are necessary for a good team player?

There are other teams in our community beside basketball or baseball teams, and they all need team players. These are the folks who like to work with others for the common good. We see them in our church, our clubs, our schools and in our homes. We never have as many as we would like, and we usually recognize one when we see him. What higher compliment can they pay to you than to say, "He's a team player"? Do you qualify?

JOE M. MITTEN
Ed. Note: We regret not including in an earlier issue the following item concerning the tragic death of Mrs. Cummins. That it should be omitted is due to the narrow time limit in each week when we collect news and to our limited number of news gatherers. Items and advertising were omitted from last week’s issue and also the same thing will be true again for this week.

TRAGEDY

Mrs. Emilie Cummins, fifty-six years old passed away Tuesday, Feb. 19th suffering from burns received the day before when gasoline ignited while she was filling a gasoline stove tank. Since there was no fire around it is thought that static from the garment she was wearing caused the fire.

She is survived by her husband Loyal M., an only daughter Toni; brothers Thomas B. Cooper of Munroe Falls, Samuel and William of Akron and a brother and two sisters in McDonald, Pa., where she was taken for burial.

Mr. Cummins, an invalid, expects to soon enter a hospital at Pittsburgh, Pa., while daughter Toni a Junior in Stow High school will live with her aunt and uncle in Munroe Falls until the end of the school year.

DEATH

Harrison P. Davis, 57, of Munroe Falls passed away March 1 at Akron City hospital. He leaves his widow Orpha; his father, Charles A. Davis; two sisters, Mrs. Mildred Hart and Mrs. Ethel Cook, two brothers, Ivan of Akron and Vernon of Cadiz. Funeral services were held at Munroe Falls M. E. Church Sunday afternoon, Rev. George Mayer officiating. Burial was in Stow cemetery.

DEATH

Charles W. R. Stewart, 60, member of an old Stow family and stationary engineer at the Summit County Home, died suddenly on Monday of last week at his home.

He is survived by his wife Emma; son Paul, Ravenna; daughter Mrs. D. C. Lee, Kent; grandchild Helen Stewart and three sis-
letters all of Chicago.

Services were held on Thursday afternoon of last week at the Bissler funeral home, Kent, Rev. L. M. Gregory officiating. Burial was in Darrowville cemetery.

Mr. Stewart was born in Stow in the same home on the Fish Creek-Darrowville Rd., in which he died. He was a member of the Kent Macabees.

OFFICERS ELECTED

At a combined meeting of the Deacons and the Board of Trustees held last Sunday evening at Community church, Mr. Guy Cole was elected chairman of the Board of Deacons and Mr. Clinton Peters chairman of the Board of Trustees.

PARTY

Saturday evening March 16th the Young Peoples Bible class, taught by Mrs. Godfrey, will hold a business meeting and social gathering at the home of Miss Donna Rae Davis, Springdale, Rd. Members and friends are invited.

Dynamic Works of the Holy Spirit

Many people are perplexed concerning the work of the Holy Spirit. The Holy Spirit is a person, and God's word teaches us plainly what His work is. Here are four definite things He does:

1. HE CONVICTS OF SIN: "When He is come, He will reprove the world of sin, and of righteousness, and of judgement". Jn. 16:8.

2. HE IMPARTS LIFE: "He saved us by the washing of regeneration, and renewing of the Holy (Spirit) Ghost." Titus 3:5.

3. HOLY SPIRIT IMPARTS LOVE: "... the love of God is shed abroad in our hearts by the Holy (Spirit) Ghost which is given us". Ro. 5:5.

4. THE HOLY SPIRIT IMPARTS POWER: "But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me ... in Jerusalem and all Julea, and Samaria, and unto the uttermost parts of the earth." Ac. 1:8.

Sunday—March 10th

HIGH SCHOOL NOTES

Stow played its first and last tournament game at Kent, Friday the 1st of March. We lost to Orrville by approximately 20 points.
The Hi-Y boys are getting their revenge on girls in overalls! Their barn dance is scheduled for this Friday, March 9th, and the fellas are to come in blue jeans but the girls are restricted to skirts!
We're getting back at them, though, March 22. The Honor Society is sponsoring a W.P.A. dance. (Women pay all). The girls are to ask the fellas, pick them up, bring a vegetable corsage and a lunch box of food, pay for the dance, and take the boys home and out to eat afterwards. AND we wear overalls. It sure will be a pleasant relief on the boys' wallets and tires!

Don Batton and Jane Van Sise debated over the radio last week and they won. All they have to do now is win three more debates and they are on their way to New York. Lucky people.

Maybe it's the weather or some-

thing but there sure are a lot of new romances at Stow High. Spring fever? Anne Blackwelder, Reporter.

LETTER

February 27, 1946
Dear Mr. Stockman:

Sometime ago I wrote and told you my navy career would be over before long, the end is just about here and I’ll be catching the next draft that will leave for Toledo, my separation center. It just doesn’t seem true but I saw my name posted in black and white so it must be the real thing.

I don’t know how many of my old gang are back in Stow, but I do know if they are not they soon will be. It will certainly be swell seeing the gang again and I’m also anxious to get back in civies.

The Community Church News has certainly done its part for all the gals and guys in service, and I want to personally thank you for the paper which I have been receiving for over thirty-two months. I’ll soon be home and reading the Community Church News which my folks receive so today that will mean one less paper you will need to send out every week. Thanks again for everything, and I’ll close for now. I hope to see you soon.

Sincerely,
J. E. Chapman, CM 3/c

Ed. Note: We are glad to know you are on your way home and certainly hope you will not be disappointed with civilian life.
H. J. S.

LETTER

Port Hueneme, Calif.

Dear H. J. S.

If there is any more room on the “I’m sorry I haven’t written list” I’ll ask for admission of my name. I’ve enjoyed the C. C. News tremendously for many months now and I, like hundreds of others want you to know that we appreciate your untiring effort towards it’s publication.

My ship is pointing her prow westward in three days bound for the Philippines. I sincerely hope when we return to the States the next time that she falls apart getting into a pier. It’s quite possible too. She reminds me of the editor’s Plymouth but that’s taking in quite a bit of territory isn’t it? Sincerely tho I wish to thank you for the news and all those affiliated with it’s publication. Enclosed is enough for a couple bottles of ink for the next edition. (That is if ink isn’t too expensive). Thanking you one and all.

I remain (In the Navy)
R. D. Beckley, SM 3/c
USS Stokes (Aka-68)

San Francisco, Calif.

Ed. Note: So you remember our old Plymouth. Well its best days are over. Some what hard to start unless conditions are just right it “sits out” in our back yard, while space in the garage is occupied by wife’s—ancient Ford (it runs tho) and son Marc’s Chrysler. Could write a volume on our cars but will wait until some other time. Thanks for the contribution. Write again.—H. J. S.
