THE HOLY BIBLE

The Bible is a wonderful book—wonderful because it is God's revelation to man, wonderful because it never grows old; is not antiquated; it has never been exhausted; it still has heights and depths unexplored; it is like a light traveling on before us; it is authority on which we may depend; it is a friend with whom we may counsel; it is wisdom superlative; it is life's greatest lessons simplified.

It is good reading because it contains the greatest stories ever written, because it has a simplicity unequalled in books, because it warns all mankind of the wrecks of evil, because it illuminates the moral and spiritual life, creating desire for noble attainments. Wonderful is the Bible for it tells of the glory that lies beyond. Biblical, the sacred writings, the book of books. What sentiment, what traditions are stored up in memory that cluster about the Bible. The old home Father, Mother, the homestead, the well worn Bible; Father reads, Mother clasps his hand; the children listen—the shadows of night have fallen—it is bed-time. Now all have been committed to God's care.

Here is a wonderful testimony to the Bible from an unknown author:

"This Book contains — the mind of God, the state of Man, the way of salvation, the doom of sinners, and the happiness of believers. Its doctrines are holy, its precepts are binding, its histories are true, and its decisions are immutable. Read it to be wise, believe it to be safe and practice it to be holy. It contains light to direct you, food to support you and comfort to cheer you. It is the traveler's map, the pilgrim's staff, the pilot's compass, the soldier's sword, the Christian's charter. Here Paradise is restored. Heaven opened and the gates of Hell disclosed. Christ is its grand subject, our good its design and the glory of God its end. It should fill the memory, rule the heart and guide the feet. Read it slowly, frequently, prayerfully. It is a mine of wealth, a paradise of glory and a river of pleasure. It is given you in life, will be opened at the judgment, and be remembered forever. It involves the highest responsibility, will reward the greatest labor, and condemn all who trifle with its sacred contents.

The Bible, a book unlike all other books ever written, I believe to be God's revealed will for the direction of the lives of men."

Here is a collection of Bible facts:

A prisoner, condemned to solitary confinement, obtained a copy of the Bible and by three years of careful study, obtained the following facts:

The Bible contains 3,586,489 letters, 773,692 words, 31,173 verses, 1,189 chapters and 66 books. The word "and" occurs 46,277 times. The word "Lord" occurs 1,855 times. The word Reverend occurs but once, which is in the 9th verse of the 111th Psalm. The middle verse is the 8th verse of the 118th Psalm. The 21st verse of the 7th chapter of Ezra contains all the letters in the alphabet except "J". The finest chapter to read is the 26th chapter of Acts. The 19th chapter of 2nd Kings and Isaiah 37 are alike.

The longest verse is the 9th verse, 8th chapter of Esther. The shortest verse is the 36th verse, 11th chapter of John. The 8th, 15th, 21st and 31st verses of the 107th Psalm are alike. There are no words or names of more than six syllables.

CHURCH BUSINESS MEETING

Because the regular time of our church business meeting will fall on the evening of July 5th, the day after a holiday, it was decided at church last Sunday morning to hold this monthly gathering a week earlier. This will be Friday, June 28th (presumably at 8:00 p.m.) in the church.
MARRIED

Last Saturday, 2:30 p. m. at the home of the bride 2719 Front St., Cuyahoga Falls, Eugene V. Reid, son of Mrs. Maude Reid and Bernice J. DeLong were united in marriage in the presence of approximately a dozen close friends and relatives. Rev. George M. Hulme performed the ceremony.

After a ten day honeymoon trip to Niagara Falls and other points, the young folks will be at home at 2719 Front St., Cuyahoga Falls. Mr. Reid is an employee of the Kent Machine Co.

WEDDING ANNOUNCEMENT

Mr. and Mrs. C. B. Mineks of 2546 Maplewood Ave., Cuyahoga Falls announce the marriage of their daughter Mary Margaret to Harry G. Smith, Lieutenant in the United States Army, Saturday, June 15th, 1946. The wedding was solemnized by the Rev. R. W. Pettit at the home of the bride's parents.

Lieut Smith is the son of Mr. and Mrs. F. A. Smith, Delroy, Ohio. Though soon to receive his discharge the groom is stationed for the present at Ft. Belvoir, Va. The bride, a graduate of Stow High School and Marietta College has been employed for some time as a technician in Microscopy, Goodyear Research Laboratories.

NOTE OF THANKS

I wish to thank all the children who participated in the Childrens' Day program. Also, I appreciate the splendid cooperation of Mrs. Daniel Cumpson, and Mrs. Cecil Rearick.

Correction of an error in last week's news. Marjorie Ann Jackson was not at the Akron Children's Hospital for a tonsillectomy but at Green Cross Hospital in East Akron where Dr. Sheets of Stow had Dr. Lickliter perform the operation. Six year old Marjorie Ann is as good as new and a whole lot better with her tonsils and adenoids out. Her brother Norman came home this past week with his leg in a cast, after wearing it six weeks, he will have to have another put on for six more weeks. What a summer this will be for him.

Mr. and Mrs. Delton C. Lee of Crain Ave., Kent, since his return from the service where he was with the Sea Bees in the Pacific, had made great plans for the "coming event" but last week after Mrs. Lee, the former Irene Stewart, entered an Akron Hospital they lost their baby and Fish Creek folks say "we are so sorry." Angeline Harvey returned home Thursday after a week's visit with her Aunt Ruth and Uncle Bill in their new home at Mansfield.

One Saturday recently Papa Altthouse and son Johnny were in the neighborhood on business. Another Saturday Jane and her father were here from their home at Berlin Center. On Sunday Mrs. Glenn France and Norma Jean were here from Hudson and all were eager to hear all about their old friends and what goes on in their old neighborhood. Both families seem to be fine.

One evening last week Mrs. Ernest Tewksbury had a dozen invited guests in for the supper which is given when there is a demonstration of stainless steel cooking utensils, Victor Arnold doing the demonstrating. This is not an ad but consult Victor for further information. Also, watch this paper for neighbor Dobbin's ad. He too, like neighbor Arnold, has something worthwhile to tell folks about. Maybe "Ye Editor" and this writer will receive some free samples (?).

Of course Wrens are famous for their friendly and sociable ways but here is a couple more "Believe It or Not" bird facts. The other evening while seated at his back door reading up on what to use to poison garden pests, Robert Charley had the joyful experience of having a wren light on his foot, staying there several moments before flying up into their second summer home on N. E. corner porch post, having just raised their first 1946 brood in one of the bungalows "Bob" provides for them on a nearby tree.

Will Lodge and sister Lillian with Mrs. Spindler called on the corner Brittans Sunday afternoon. Remember when William and Lillian were busy as bees all summer long at Silver Lake park and the Lou Spindlers ran the pavilion? Yes, Fern too remembers working for the Lodges in 1911 but somehow she cannot recall the summer of 1890 when Ted made taffy for them—after all she wasn't born at that time. What reminiscing of the good old days. How nice to have Mr. Lodge and Mrs. Hagedoerger enjoy the poppies with us. Not finding us at home on their first call when Orientals were in full bloom, this Sunday they found the annual Shirley Poppies taking over the place,—really a riot of colors. Come see for yourself. Nearly 300 callers have been here so far this month and many autoists on state route 5 slow down while passing. As the cars come along the Darrowville Fish Creek Road one often

"FAIR PRICES — LIVE AND LET LIVE"

We believe the best way to trade is as man to man. Bargains are no better than the man offering them. Some sell below cost—declaring losses and pay no taxes but collect rebates on the side. The bargains you save on are lost in higher taxes because the difference has to be made up and you pay in the end.

The law of diminishing return is your safeguard. Up to a reasonable amount of business profits go down and if unheeded, bargains are impossible on the level.

This natural law supports free enterprise and makes more jobs and natural prosperity.

We invite you to trade with us—one of the best rural stores around and together let us practice the Golden Rule as stable citizens, dividing scarce items in sincere fairness.

While most of us are planning for a celebration of some sort this next week on July 4th, there is one family in Stow who are looking ahead and preparing for your dinner next Thanksgiving Day and Christmas. Damons on East Graham Road now have some fifteen hundred turkeys coming along in different stages of development. These birds, or at least some of them, should be ready for you to eat before too long a time passes. And maybe you think the raising of turkeys does not require close attention. But listen! When the day old poults first arrive, Mr. Damon moves his cot right out into the poultry house and nurses the babies along night and day for three or four weeks. And he does right well. Out of one bunch of three hundred purchased, he had 301 living at the end of seven weeks. The day we visited the “ranch” Mrs. Damon and daughter Barbara were placing splints on broken wings of several babies who had some how got “cracked” up. These they say will heal shortly and are very much worth saving since day old turkeys come at 80c each. Let’s see, 1500 at 80c each—My! it does take something to be in the turkey business. House—Feed—Running water—Work and more work.
