"THE SECRET OF A HAPPY LIFE"

Text: Phil. 4:4 “Rejoice in the Lord always: and again, I say, Rejoice.”

Introduction: We find people today that are asking the questions —How can I be happy and live a victorious Christian life? Is it possible to be happy in this world? The answer to these questions is yes and God has provided a way in which we can have joy and happiness and live a victorious life every moment of the day. The secret of a happy life is a wonderful secret and is very simple.

I. First We Must Obtain Forgiveness of Our Sins by Repenting of Them, Confessing Them and Accepting Jesus as Our Savior.

In Psalm 32:1 God says, “Blessed is he whose transgression is forgiven, whose sin is covered.” We find here then that the only way possible for God to bless us is by our confessing to Him and having our transgression forgiven and our sins covered by the precious Blood of Christ. We find in Isa. 55:7 the Word says that if the wicked forsake their ways that He will have mercy upon them and will pardon them.

And in Acts 10:43 we are told that if we believe on Jesus Christ we shall have remission of sins.

II. Second Is to Obtain The Holy Spirit By Absolute Surrender to God.

In Acts 5:32 God tells us that He will give us the Holy Spirit and that we are His witnesses to these things. You might say, “What are these things?”

That God gives repentance and forgiveness of sins, and also that the Holy Spirit will testify that our sins are all blotted out by the Blood of Christ. Praise His Name!

This is a wonderful joy of the Christian to know that when Christ died upon Calvary’s Cross that He died for our sins and that He paid the price for our salvation over 1900 years ago.

To many this was earth’s darkest day, but to the Christian it was earth’s gladdest day, bearing to our hearts the message that through His crucifixion we have forgiveness of sins, and by His resurrection we are justified, being raised to walk in the newness of life.

III. The Third Step is Prayer—Frequent Prayer.

Now that we have accepted Christ and have received the Holy Spirit, we are ready for prayer.

We find in John 16:24 that we are to come to the Father in the Name of Jesus Christ who is the only mediator between God and man. God tells us that whatever we ask in Christ’s Name that we shall receive it that our joy may be full.

Thanks be unto God that no matter what our needs may be, or how great they are, we can ask what we will, and it shall be given us.

I consider this step of prayer, alone, the most important and the main secret to a Happy and Victorious Life.

IV. The Fourth and Last Step is Bible Study.

We should study our Bible, not just when we feel like it, but from day to day.

God says in John 15:11, “These things have I spoken unto you, that my Joy might remain in you, and that your Joy might be full.” How, then, if not by Bible Study, are we going to know what God is talking about? God tells us in 2 Tim. 2:15 that we are to study to show ourselves approved, not unto man, but, unto God.

Conclusion: So, if we as individuals will only confess our sins and shortcomings, accept Jesus as our Saviour, and receive the Holy Spirit, pray regularly, and study our Bible; then we can have a Happy and Victorious Christian Life.

LAST SUNDAY

Having attended church services of one sort or another quite regularly for a number of years the editor of this sheet is quite apt to go to one or two more meetings each succeeding Sunday taking everything that is done for granted and after the service is a thing of the past—write nothing about it. Maybe we enjoyed the service, maybe we approved of what was said and done, maybe we did not. However all this may be, considering the fact that most of the personal items appearing in this paper are short reports on past activities of individuals it might be in order to occasionally report some of our impressions of past church services.

In the first place last Sunday was a beautiful day. If God has anything to do with the weather, He certainly has been outdoing himself of late. On such a day as last Sunday it is good to be alive. Rev. DeWitt in his morning prayer thanked the Lord for the beautiful day. We too were thankful.

Then there was the Bible School lesson. The topic assigned for Junior Boys read “Jesus Teaches Kindness to Strangers.” Having on Friday night visited the “Haven of Rest Mission” in Akron to hear Dr. Bob Jones Sr. we told the boys how Rev. Thomas, founder of the mission, as a small boy, used to be our back door neighbor, and he was not a very good boy either, but somehow the Lord got hold of him and now he is doing a wonderful work among the very class and kind of people Jesus mentioned in the lesson. Maybe some of our boys will go and do likewise.

While as usual many of those who attended Bible School did not stay for church there was a goodly number who remained. Some sixteen or eighteen were in the choir which is again being directed by Cecil Rearick. Of these, there were

We have earned the commendations that have come to us. In every way, at all times, we are faithful to our trust and we are studiously capable.
ATTENTION
Owing to Retirement of Our Pastor the Pulpit of Stow Community Church is now open. Friends or members of the congregation who can give information or suggestion leading to the procurement of supply ministers please contact the Pulpit Committee Chairman Mr. Clinton Peters 657 Sanford Ave. Akron. actually (besides the director) two men who helped with the singing. Shall we tell you? C. M. Woodring and Henry Haruff, and they were there the Sunday before last too. We enjoyed listening to the anthem and also the special solo by Mrs. Harruff. Incidentally, choir practice is now being held each Thursday evening at 7:30 p.m. and no doubt additional voices would be welcome.

Sitting in the back seat (our favorite in most any meeting much to the disgust of the ministers particular note was made of the fact that two seats ahead, Mr. and Mrs. Mearle Zimmerman and four children sat together. Would that there were more families who sat together.

Of the sermon we shall say little except to report that the subject was the “Wounds of Jesus” and that seldom have we noticed such close attention being given to a minister in our church. Perchance Rev. DeWitt can be persuaded to prepare this particular message for publication in our paper sometime.

This next Sunday it is understood that Rev. Harry Galaspy will preach again.

FOURSQUARE CHURCH NOTES
S. S. Sunday Morning 9:45 a.m.
Another victory was recorded in our Sunday School last Sunday. The previous record was broken with one hundred thirty six present. One way to break a bad habit is to get away from it. Let's not miss another Sunday in S. S. Morning Worship 11:00 a.m.
Rev. James Runyan will be bringing the morning message.

Young Peoples Service 6:30 p.m.
Mrs. Johnson will be in charge of the Crusader service for this Sunday. She will present a program that will be enjoyed by all. Come and be with the Young people.

Evangelistic Service 7:45 p.m.
Again in the evening Rev. Runyan will present the sermon. Daily prayers lessen daily cares. Worship with us and refresh your soul with “manna” from Above.

Pray and Praise Service 7:45 p.m.
This is, or should be, the highlight of all the meetings. Non-church goers wouldn't feel at home in heaven, so make it a point to be at this service in order to better adapt yourself to spiritual environment.

MYRTLE

We left Myrtle hiding under a bunch of dry leaves up by the cave when we left the cabin to come home Sunday. I found her on the path as I came up through the Raley Woods from squirrel hunting Saturday morning and took her home in my hunting coat to show Martha and David. Martha was looking her over when she let out a shout "Hey Daddy", she called to me, "Myrtle has your initials on her back." So I hustled up to see and, sure enough, there it was as fresh as though I had carved it only last month, "J. A. M." Then I turned her around and just as plain as the initials was the date, "1934". I have carved my name on the back

of many a turtle. This was the first one that I had ever seen again. I wonder how old she is. Surely she hasn't grown a bit since I carved the initials and date on her back twelve years ago.

At first she elected to "play possum" and sulk in her shell, but after a while curiosity or hunger or both got the better of her. Out came her head, then her scaly feet and she was off for the bushes. You didn't want to take your eyes off her for an instant, or she wouldn't be there when you looked back. We lost her several times, but each time Sally or Shorty would tell us where she was hiding. We didn't bring her home; we thought she'd like to end her days where she has spent the last twelve years.

The tulip poplars make a pretty sight just now with their mixed green and yellow, and the brilliant red of the dogwood berries and leaves attract your eye when you walk out in the woods.

STOW BUSINESS MEN'S ASSOCIATION

Ed Rowe, former congressman, spoke on pending social security legislation at the September meeting of the association. The matter of the coming levy for the support of the fire department was brought before the group, and the membership voted unanimously to support the issue at the coming election. It is hoped that the two candidates for congress this fall can be induced to come to the October meeting so that the members can hear them express their views on domestic and foreign affairs.

THE SUB-DEBS have also selected the new members of their club. They are: Seniors, Anne Blackwelder, Phoebe Myers; Juniors, Ruth Capra, Rowena Weldon, Twila Kuntz, Wajanta McKee, John DeGruchy, Mary Agnes Bronson and Laura Lee Ross.

The Student Council has been organized for the coming year. Bob Lyon, Pres; Ruth Capra, Vice-Pres.; Verne Rowland, Sec'y. and Mary Ann Yeager, Treas. are the officers. The following representatives of the home room have been elected: Joy Gedley, Dale Fietz, Twila Kuntz, Kathy Vandrosek, Bob Baerner, Dick Fleming, Nancy Lou Nellis, Earl Pontius, Joyce Frwig, Nancy Keath and John Young. This group is busy at present promoting the sale of football tickets.

Programs are being sold at the games. The proceeds is to go into a fund for the improvement of the athletic field. These programs are numbered and the lucky number will win a prize. Due to the rain at half time last Friday the lucky number was not drawn from the box. We hear two will be drawn at the next game.

STOW DEFEATS GREENSBURG. The Bulldogs were out to win last Friday. They took Greensburg 18-7. Bob Lyon made two touchdowns, one on a 25 yd. dash after taking a lateral from Jim Brumit and another on a 40 yard run. Jim Brumet went over for the other 6 points.

Stow plays Tallmadge on the Stow field next Friday afternoon. Come out and help the Bulldogs win another game.

BLEACHERS ON ATHLETIC FIELD. Two sections of bleachers have been erected on the north side of the field. This is a big improvement over standing on the bank. We hope this will encourage more of the Stowites to come out to our games to see our boys play and also enjoy the music of the Stow Hi Band.

Elmer Dietz left last Sunday for Columbus to attend Ohio State University.

Rev. Marion DeWitt formerly of Marcella a.v., Stow whom we were pleased to have preach for us last Sunday morning and whose article appears on the front page of this week’s C. C. News entered the part time ministry of the Gospel in 1939 and in 1942 he devoted his full time to the preaching of God’s Word. In the past four years he has been in Mexico, in Canada and in practically every state in the Union conducting meetings and preaching the good news of our Lord. We are glad to know of his success and may he continue to grow in grace and in knowledge of the Word.

Not to go into detail for most of the details have been well covered in the Akron Beacon Journal last Monday, but, on report of those who visited the Darrow St. Grange Fair last Saturday it should be said that there was a record attendance, especially in the evening. In large part the exhibits of the twenty-eight 4-H Clubs of Summit County did much to draw the crowd. The style show they put on was well worthwhile, (Mrs. C. L. Diike authority). And, personally, the corn husking contest was quite interesting. Fred Fahrney of Stow won first in this contest. William Hamilton second and Gaylord S. “Ike” Williamson third.
