Computer Training

The class calendar can be viewed at www.smfpl.org/calendar.htm.

New Computer Class Signup Procedure

You no longer have to sign up for computer classes weeks ahead of time! Instead, we will have numbered tickets for each class at the Adult Information Desk. On the day of the class, starting **one half-hour before class time**, the tickets will be given out on a first-come, first-served basis.

Students should have their Stow-Munroe Falls Public Library cards available when they come for their tickets.

The classroom has eleven seats at computers and an additional three seats without a computer. If all eleven "computer" tickets are taken, three "non-computer" tickets will go to the next three students. This change is to prevent students from being closed out of classes on the first day of registrations. We hope that this new system will make it easier for out students to get the classes they want.
