

Visiting the Stow-Munroe Falls Public Library

Second Floor/Children's Department

Stow ■ Munroe Falls
PublicLibrary

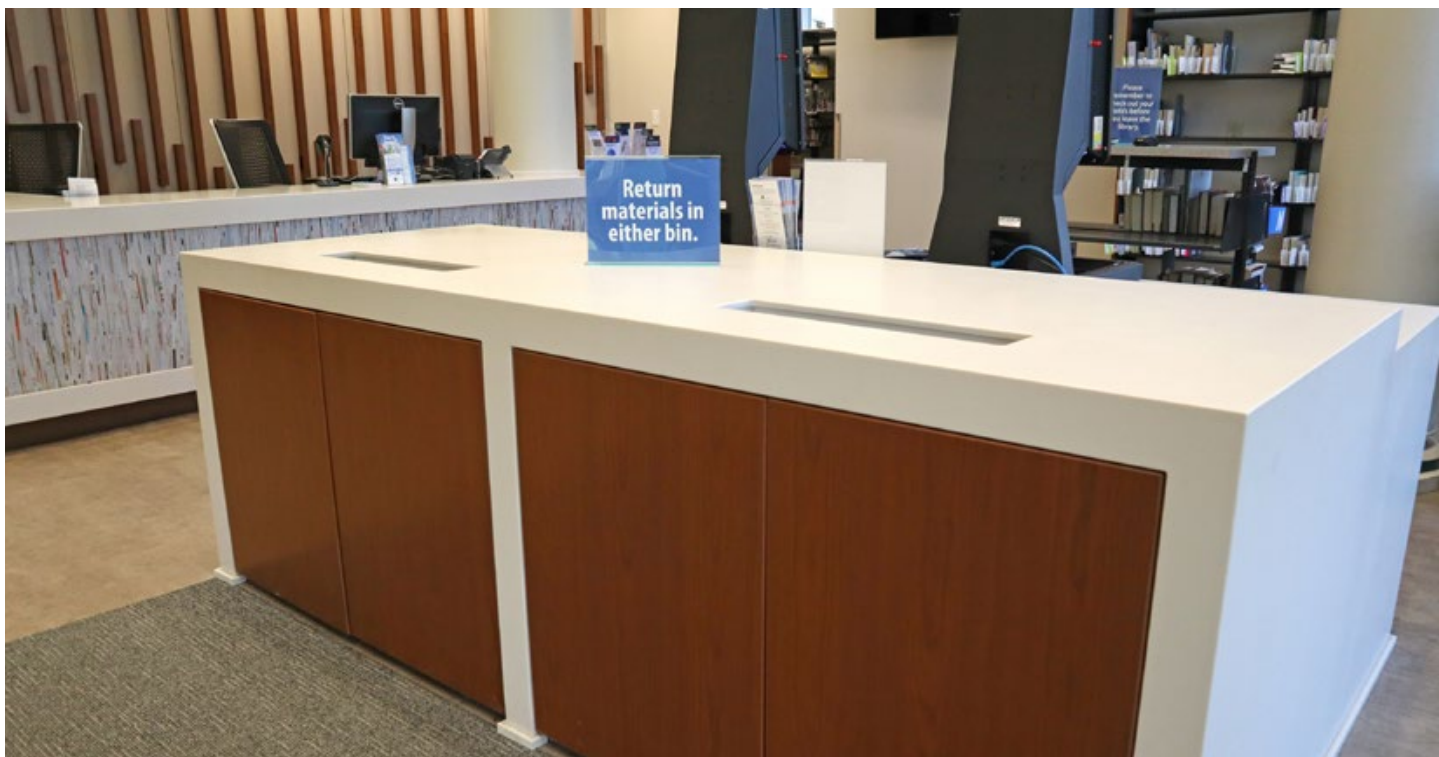

Read. Dream. Connect.

I am visiting the Stow-Munroe Falls Public Library.

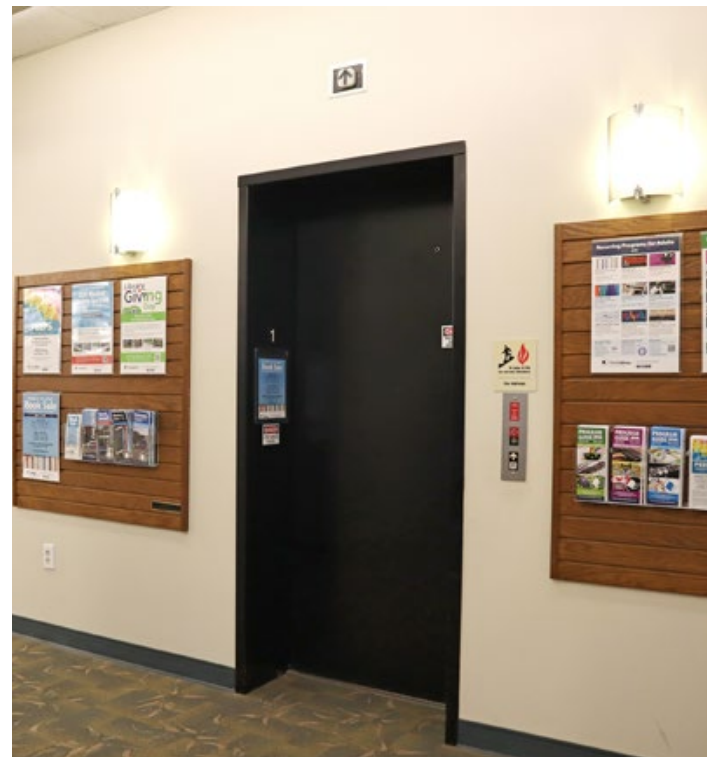

This is the front desk. There is someone there to help me if I need directions or to check out items.

These are the return slots on the first floor. When I am finished using items, I can return them here.

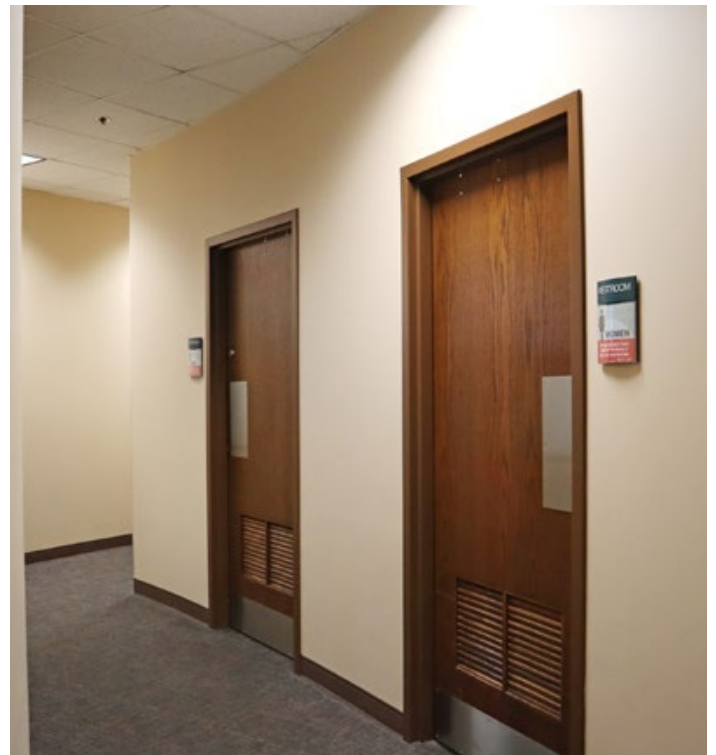

The library can be a noisy and busy place. I can ask for a quiet area or a Sensory Kit.

The Children's Department is upstairs on the second floor. I can use the stairs or elevator to get there.

Here is the Children's Desk. There is a staff member there to help me.

There are restrooms if I need to use them.

There are many things to do in the Children's Department. I can visit Spike the turtle or the fish.

I can play on the computers.

I can play on the equipment or with the toys.

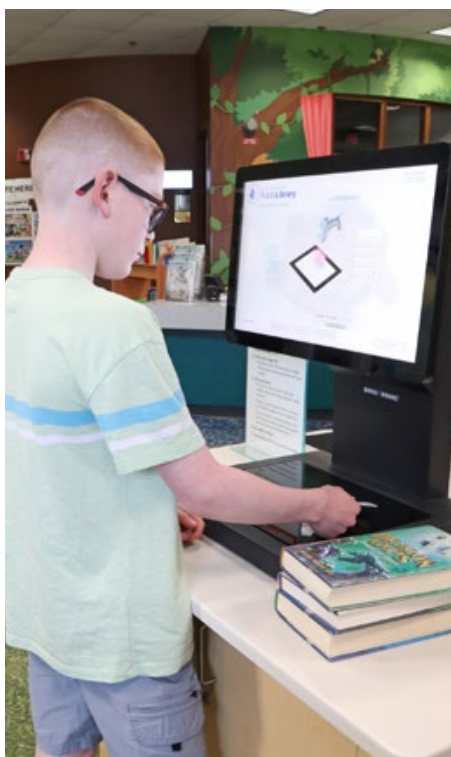

I can attend Story Time or other fun programs.

I can find books, movies, or other fun things to borrow for a few days.

I need a library card to check out items.

I can check out my items myself, or I can bring them downstairs to the Checkout Desk.

When I am ready to go home, I can go down the stairs or use the elevator. I'll come back to the library another time!
