

Visiting the Stow-Munroe Falls Public Library

First Floor/Teens

I am visiting the Stow-Munroe Falls Public Library.

This is the front desk. There is someone there to help me if I need directions or if I want to check out items.

These are the return slots on the first floor. When I am finished using items, I can return them here.

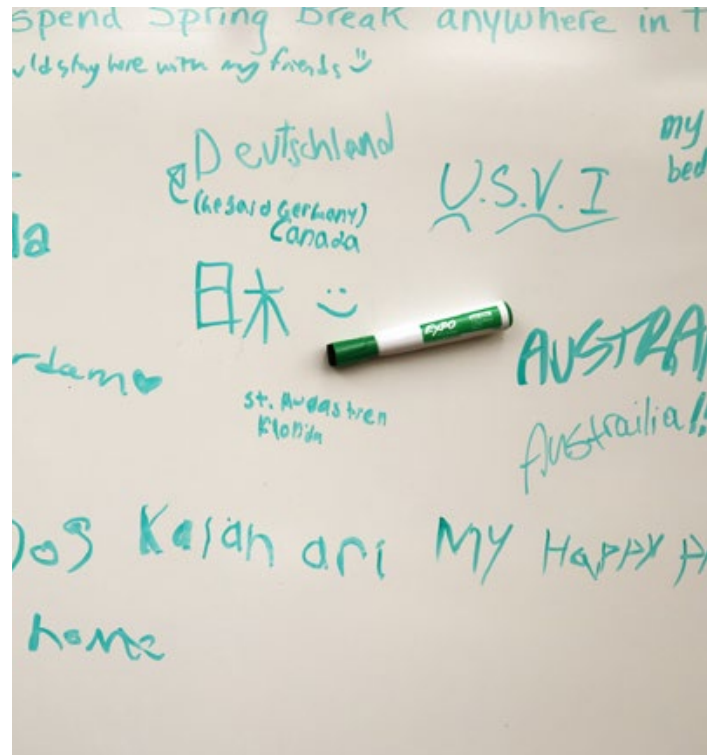

The library can be a noisy and busy place. I can ask for a quiet area or a Sensory Kit.

When I walk around the first floor, this is what I'll see.

This is the Teen area. I can go there if I want to find Teen items.

I can sit in a booth with my friends or answer questions on the dry erase board.

If I need help finding an item, reserving a room, or with a computer, I can ask for help at the Information Desk.

These are the restrooms on the first floor.

There is also a family restroom upstairs.

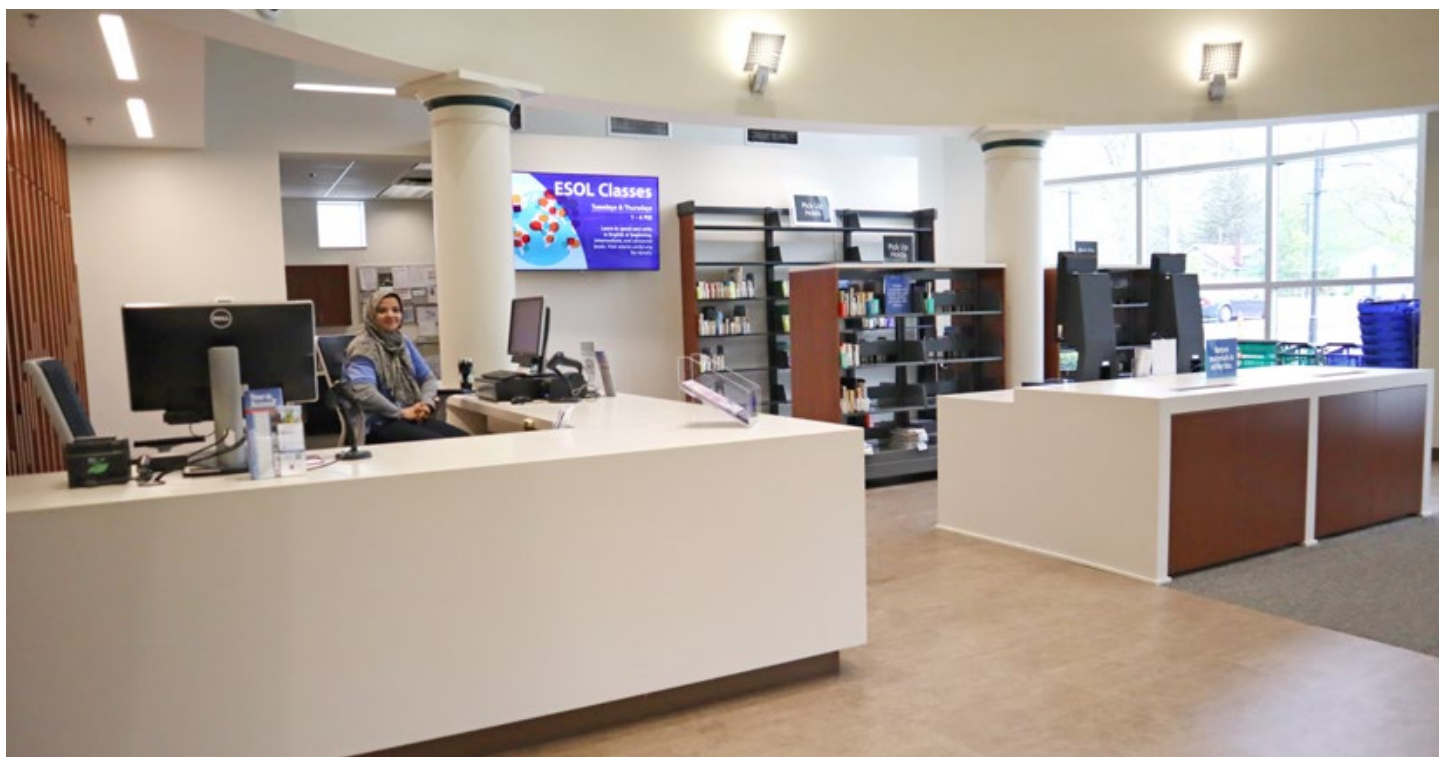

The Children's Department is upstairs on the second floor. I can use the stairs or elevator to get there.

There are also meeting rooms upstairs. I can attend a program there or schedule a meeting in the rooms.

When I'm ready to check out my items, I go to the Checkout Area at the front of the library.

I need a library card to check out items.

Someone can help me check out my items or I can check them out by myself.

When the library is closed, I can return my items in the outside return slot.
